From Mr. Logan...

Dear Families and Guardians,

My message this week is redundant with last week's message because the School Accountability Committee (SAC) is such an important function of our school. Our next SAC meeting will be held on Monday, March 17th from 6:00-7:00 and we need you! Our meeting will focus on the budget for 2025/2026 school year; SAC members will learn and provide feedback about how our budgets are composed and our budgeting priorities for the next school year. Spanish language interpretation will be available. Please consider joining, and know that burritos and beverages will be served! If you're able to attend, please sign up using [this form](#).

And speaking parent involvement, a huge thank you goes out to the parents who coordinated our outdoor education cookie dough fundraiser. The last day to sell cookie dough was Friday 2/28, and cookie dough will be delivered to school on Wednesday March 12th. The cookie dough will be delivered frozen, and upon delivery, they will be good for ~3-4 hours before they need to be put back in the freezer. Here's a [quick reference sheet](#) in case you have more questions about the fundraiser.

From Ms. Porter, Dean of Culture...

Did you know that Read Across America Week is March 2-6 this year? This is a great opportunity to make sure that your student has an independent reading book. But what if they don't? We have many great books in the CMS library and all of our teachers can recommend ideas based on what interests they have. It's also a great excuse to get cozy on the couch with a warm drink and read your favorite book!

Also, I am still looking to fill a few more Fridays with teacher treats, so please reach out to me if you would like to volunteer for this. It really feels special when we have treats ready for teachers every Friday. Thank you!

Girls on Patrol Day

The third annual Girls on Patrol Day at Snowmass invites girls in 6th grade and up to experience a day in the life of ski patrol.

Aspen Skiing Co is hosting our third annual [Girls on Patrol Day](#) on Saturday, March 15th, at Snowmass. This event is all about getting hands-on experience with patrolling skills, including running toboggans, patching up injuries, treasure hunting with beacons, uphaul rescue, and much more.

This is geared for middle and high school girls (ages 11-18) who can confidently ski a blue run. It will run from 8:30am to 3:30pm. Lunch and swag will be provided. It's free to join and we can comp tickets and rentals for kids, as needed.

[Sign up here!](#)

Space is limited to 50 participants and we ask that returners wait a week to sign up so that new girls get the chance to experience the event.
