II.Upcoming Events (All events below will be on Zoom)

- On the SEPAC website

I.District Administration Presentation

(Abby Hanscom, Glen Atkinson, Lisa Freedman)

Come hear from WPS Student Services staff about the key transition points as students enter elementary school from preschool and the services available at the elementary level. Discussion of the process of transition to Middle School will also be included along with time for Q and A.

- Slides will be on the SEPAC website

- The IEP team can and should consider what the student needs as far as supports.

- A planning meeting/IEP meeting that may or not be your annual review meeting. It will include important transition information for your student. Some activities that might happen in the summer or before September.

- Differences between the two settings of schools

- There is an information sharing from your students' current teachers and staff to your student's transitioning teacher and staff.

- An outline of the district programs was presented.

- At the middle school there are teams that are shared between a pod of teachers 80-90 students.

- 4 centralized programs at the middle school.

.Q & A
