

GAME RECAP: Wisconsin Lutheran's Dominant Defeat of Germantown, 72–57 (12/02/25)

wiscogirlsbasketball.com | [Box Score](#)

Wisconsin Lutheran delivered a dominant all-around performance, defeating Germantown **72–57** behind efficient shooting, strong rebounding, and standout individual efforts across the lineup.

Wisco – Offense Takes Off Early

Wisco shot an impressive **47.5% from the field** and **52.4% on 2-point attempts**, consistently attacking the paint and converting high-percentage looks. Their balanced scoring attack featured multiple double-digit contributors.

- **Kaelyn Nommensen** turned in a monster performance, leading all scorers with **22 points**, shooting **9-for-13** from the field and pulling down **12 rebounds** for a dominant double-double. She added 4 assists and 2 steals, impacting every facet of the game.
- **Londyn Hollins** provided a huge scoring lift with **17 points** on an efficient **7-of-11** shooting night, including two made threes. She also chipped in 2 rebounds, 2 assists, and a steal.
- **Beth Langebartels** was a force on the boards, tallying **8 rebounds** to go with 6 points and steady interior defense.
- **Reese Grudzielanek** added **7 points, 3 rebounds**, while **Norah Oschner** contributed 6 points and 3 assists, and **Layla Walz** dished out **7 assists**.

Key Differences in the Game

- Wisco claimed a decisive **44–41 rebounding advantage**, including 11 offensive boards that led to valuable second-chance scoring.
- Defensively, they held Germantown to just **30.4% shooting** from the field and **24% from three**, consistently contesting shots and limiting clean looks.
- The Vikings forced **19 turnovers**, converting them into transition points and maintaining control of the pace throughout the game.

JV Results:

- The JV team recorded their first win of the season with an exciting OT win over Germantown, 52-45.

Up Next: The Vikings host Pius XI to open conference play on Thursday, December 4. JV begins at 5:30 pm with Varsity to follow at 7:00 pm.
