

ANNOUNCING THE FALCON CHPCS

STEM CLUB

- Are you interested in figuring out how things work?
- Would you like to try to design something new?
- Do you like puzzles?
- Do you enjoy observing living things?
- Do you have questions for which you can not find answers?
- Do you like working with others to solve problems?

If you answered yes to any or all of these questions then the STEM Club may be for you.

STEM stands for **S**cience **T**echnology, **E**ngineering and **M**ath.

The STEM club will offer you a chance to expand your experience in all of these areas.

Student interest will guide the direction of the club.

The club is open to students K-8 and is available at no cost.

Please come to our first meeting on

Monday October 8, 2012, from 3:45 to 4:45, in the Science Lab.

STEM Club will continue to meet on this day and time until further notice.

If you have questions or concerns, please email Ms. Brunning at
