

DL₄21 Professional Growth Option:

Playground

3 points per playground

Purpose	Support collegial sharing and give teachers time to practice new digital tools
Teacher Requirements	Teacher(s) complete the following steps: 1. Attend a DL421 Playground. 2. Incorporate a feature from the DL421 Playground into a lesson. 3. Implement lesson. 4. Reflect on the implementation of the lesson through a Google Form or discuss with the event's Teacher Leader. **There will be several possible playground opportunities during the year. Topics will be available at the school and/or division level.
Leader's Role	1. Create a schedule for the Playground. 2. Host the Playground. 3. Monitor and facilitate discussions that allow teachers to share, as well as promote, a reflective environment during the Playground. 4. Review Google Form attendees' completion. 5. Award points in TeachPoint.
