

MISSION

PRACTICE CURIOSITY

- 1 Write 10 different Fascinations for your product or service**
 1. Pick the piece of the funnel you are working on.
 2. Find some information or experience on the NEXT step of the funnel you can tease (See slide #5 for reference)
 3. Use the fascination formulas to create curiosity around that next step
- 2 Share in #business 101 for review from fellow students**

Here's a brief description about my client - my client is a tuition teacher (Maths) who already has a lot of successful testimonials.
