Note to Nonprofits:

*This is a toolkit you can share with influencers and ambassadors to help get the word out about your GivingTuesday campaign. About GivingTuesday

Created in 2012 as a day to do good, GivingTuesday has grown into a year-round **global generosity movement**. From global brands to small businesses, from celebrities to every day grassroots givers, people will come together in a variety of ways to celebrate generosity, give back, and show kindness on **November 30, 2021 for GivingTuesday**. It's about ordinary people working together to change the world. Help us inspire a wave of good by using your voice to help spread generosity.

About [Your Organization]

The influencer already knows a lot about your organization, of course, because you've been building a relationship with them. The point of this section is to provide them with copy/pasteable language about your mission or what it is you want them to say about you in a 15sec TikTok video. Be brief and use a simple social-media ready explanation of what you do.

How to Participate

We believe that all acts of generosity help shape the world we want to live in, and so there are no rules for how to participate in GivingTuesday. Every single act of generosity counts and we encourage you to be creative! Pick an issue and give back in any way that's meaningful to you. Here are some ideas:

- Create content that inspires and helps your fans get ready for GivingTuesday, or post our ready-made content. See below for inspiration and assets you can use.
- Run a fundraiser for us using Instagram Stickers or Facebook's fundraising tools.
- Go live on Instagram and collect donations ([how-to](#))
- Match your followers' donations to our organization. ([example](#))
- Add our link to your bio

Social Media Direction + Content

Here are some ideas for what to post on your channels to help get your fans excited and inspired to give on GivingTuesday. We also encourage you to **create your own content and tell your giving story**. You know what will inspire your fans to take action and give. We'd love for you to post across channels to reach as many people as possible.
