4. Cubs and females with cubs are not legal to harvest. A cub is defined as any bear less than or equal to 75 pounds.
5. Hunts restricted to those resident persons selected by lottery and are properly licensed hunters age 18 and over. Successful applicants will be issued permits. The number of bear harvest permits issued will be determined based on Bear Area specific population estimates and vital rate data acquired at regular intervals. The number of bear harvest permits issued at any given time during the season shall not allow the harvest to exceed the number of female or male bears in any Bear Area that would compromise the long-term sustainability of the Bear Area population.
6. Bear hunting permits will consist of three types of permits: Wildlife Management Area (WMA), Private Landowner (an individual owning 40+ contiguous acres in Bear Area 4) and General. WMA permits will be for specified WMAs. Private landowner permits will be allocated to private landowners or their designee in Bear Area 4. General permits will allow hunting on private property within Bear Area 4. Individuals receiving a General permit are responsible for coordinating with landowners to gain permission and access to hunting on their property. Applicants not chosen will be given preference points in following years. Successful applicants are not allowed to apply for another bear permit for two years after being drawn. All applications require a non-refundable application fee. Consult the regulations pamphlet or contact any department office for details.

7. Transferability of bear permits: Only the private landowner permits are transferrable. Transferees must be a properly licensed Louisiana resident age 18 and over. Permits being transferred must be arranged **prior to** the mandatory training session. A permit may only be transferred one time. The Department of Wildlife and Fisheries shall be notified once a permit has been transferred and provided the transferees name, address, and phone number.

8. Bear hunter training: All successful applicants or transferees will be required to attend a department bear hunter training course prior to going afield. Individuals not attending a department bear hunter training course will be prohibited from hunting.

9. Baiting and scent attractants: Baiting allowed two weeks prior to season opening to the day the season closes. Hunting over specified unprocessed bait, specified processed bait, and the use of a scent lure is allowed. Unprocessed bait is defined as any raw product legal for baiting bears. Legal specified unprocessed baits are raw meat and fish, grains, nuts, and fruits where legal. Specified processed bait is defined as any baked or cooked product legal for baiting bears. Legal processed baits are donuts and like pastries (e.g., cinnamon rolls, honey buns, muffins). Use of chocolate is prohibited as bait or scent. Scent lure is any non-food product that is used as a scent attractant legal for use in Louisiana.

10. Harvested bears must be tagged immediately upon harvest and prior to being moved from site of harvest. All successful bear hunters must immediately contact their designated department biologist (see permit) to report their kill and schedule biological data collection.

11. Hunter Orange or Blaze Pink: Any person hunting bears shall display on his head, chest and/or back a total of not less than 400 square inches of “hunter orange” or “blaze

pink". Persons hunting on privately owned land may wear a "hunter orange" or "blaze pink" cap or hat in lieu of the 400 square inches. These provisions shall not apply to persons hunting bear from elevated stands on property that is privately owned or to archery bear hunters hunting on lands where firearm hunting is not allowed by agreement of the landowner or lessee. However, anyone hunting bear on such lands where hunting with firearms is allowed shall be required to display the 400 square inches or a "hunter orange" or "blaze pink" cap or hat while walking to and from elevated stands. While a person is hunting from an elevated stand, the 400 square inches or cap or hat may be concealed. Warning: bear hunters are cautioned to watch for persons hunting other game or engaged in activities not requiring "hunter orange" or "blaze pink".
