PE Lead to enquire into paid schemes which will assist in providing continued CPD for all staff alongside a robust curriculum which shows clear progression	£900 £300	Courses including PE Lead meetings Training provided for staff teaching and supporting PE/sport as appropriate

Key Indicator 2:Engagement of all pupils in regular physical activity

Aim	Actions	Cost	Evidence
Ensure pupils are confident and safe when riding bikes so this provides opportunities for travel to secondary school and physical activity at home.	Bikeability offered to KS2 by Suffolk County Council	£180	Pupil confidence and road safety awareness will be increased as a result of the course.
Ensure children have good physical activity over break periods for structured games, developing provision to ensure new activities are offered.	Sports coach to attend for one hour every day during lunch to deliver a variety of physical activities.	£5300	Increased physical activity by children during the lunch break
	Increased activity encouraged by all lunchtime staff to engage pupils in active play. Subscription to Boing Play tank, an online library of lunchtime games that can be set up by TA's/ sports leaders, or sport coach at lunchtimes and breaktimes.	£47	Increased activity levels on pupils who do not enjoy sports or games More focused lunchtimes with clear areas for children to be active
To ensure every child receives 2hr of physical education each week.	Timetable: Each class to have 2 sessions a week lasting one hour each.	£0	More pupils meeting their daily physical activity goal, pupils encouraged to take part in PE and arrive in PE uniform twice a week
Encourage all pupils to engage with physical activity outside the school curriculum.	Extra curricular clubs offered to build up the amount of children signing up. Pupil voices gathered, during sport leader meetings, choosing an after school club to increase attendance and interest of children.	£3400	A wide range of after School clubs offered Target: greater than 60% of pupils signing up
Improve children's health and wellbeing.	Potential introduction of the daily mile.	£0	Brain breaks to support mental health and wellbeing.
	Websites such as Go Noodle shared to increase active brain breaks within the classroom. Active advent shared with class teachers- potential for sports leaders to create themed active calendars throughout the year. Purchase of equipment for whole body brain breaks	£100	Children show greater levels of emotional regulation and focus.

Key Indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement			
Aim	Actions	Cost	Evidence
Ensure PE has a high profile within the school and through communication with parents, staff and pupils.	Time for PE/Sport Lead to promote PE. Regular references to sporting participation and achievement in newsletters, classdojo, twitter, assemblies and also in the GVSTPP newsletters.	£1000	Promote PE lessons on Classdojo for parents to see. PE visible within newsletters, Classdojo, Twitter and termly updates.
To actively advertise the offer of sports and physical activity for all children - Regularly celebrate involvement and success in these events.	Newsletters/School Facebook/ Assemblies - All of the above sent out to parents to ensure they are kept up to date on what is happening inside and outside of school.	£0	Local sports activity communicated to parents via weekly updates and newsletters Local sports competitions communicated to parents. Increased number of pupils volunteering to take part in team tournaments

Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils			
Aim	Actions	Cost	Evidence
To introduce all children to new sports and encourage more adventurous extracurricular activities.	Offering Kung Fu with a local coach.	£660	Sessions have good attendance
	Offering dance club which will result in a performance with a local coach.	£700	Sessions have good attendance. Confidence of children's performance skills to grow
	Lunch time coaches to have a sports focus- designed through pupil voice and changed on a half termly basis. Lunchtime equipment for any additional clubs children want to run needing to be purchased.	£2000	Regular meetings with KS2 sports leaders to gain pupil voice from students. A wider range of equipment available for lunch time clubs.

	Opportunities to be offered to KS1 and KS2 to try outdoor adventurous activities at a multi activity centre.	£2300	Children from Year 1- year 4 Trip to Thorpe woodlands where they had an opportunity to take part in OAA unavailable at the school environment, and climbing activities
	A whole school trip to Suffolk ski slope planned. KS2 children to experience a skiing lesson.	£2000	KS2 children experience skiing.
	Whole School PE Enrichment days to be organised to offer a selection of activities to promote physical activity, being active, working together to succeed and sportsmanship. Enrichment day to engage all pupils, supporting those that are often reluctant to take part in PE.	£1000	PE Enrichment day with new sports on offer

Key Indicator 5:Increased participation in competitive sport

Aim	Actions	Cost	Evidence
To ensure pupils have opportunity for involvement in sports competition in school.	Organise an in-school competition as part of a sports day.	£145	All pupils have the opportunity to engage in sporting competition at individual and team level.
	Termly in school competitions to be run with the assistance of Sports leaders. These could be run during a lunchtime with support of a coach, during PE lessons, as an extra curricular activity or during afterschool.	£0	Children to experience being competitive within a range of sports, playing for their house teams.
To ensure pupils have the opportunity for sporting competition outside the school.	Take part in events through GVSTPP - Cross Country, Multiskills, Tag Rugby, Dodgeball, Rounders, Boccia, Kurlin. (Also virtual cross country using our playing field).	£100	Pupils at KS2 have the opportunity to compete against pupils/teams from other schools.
	Costs of travel provided to support teams entering local area competitions	£800	KS1 pupils begin to experience competitions in after school events.
