Discussion:

- Review February minutes - Brett Hadley motioned and Suzanne Stirland second the motion.
- The district is developing a comprehensive cell phone policy, with each school having flexibility in its implementation. The Biology department has introduced pockets for cell phones. The goal is to educate students on appropriate cell phone use, likely with restricted use during instructional time. Once tasks are finished, cell phone usage may be permitted. Roy High School utilizes Bloxy, a useful tool exclusive to Chromebooks. April 15 - 19 is Purple Up Week!
- Panorama survey - week of April 15th during Mentoring period.
- Roy High Committees:
    - Leadership Committee: comprising department heads, oversees MTSS (Multi-Tiered System of Supports) for behavior and attendance.
    - TLC (Teaching Learning Comprehension): focuses on implementing a reading comprehension goal.
    - Mentoring Committee: enhances the mentoring program.
    - Be Well Committee: addresses the mental health of students and teachers.

Next Year Goals -

- Goal #1: During the 2024-25 school year, Roy High will boost passing grades earned in all classes to an average of 87%.
    - Hire one full time student advocate to work with and assist struggling students to focus on learning gaps.
    - Teacher and Staff Professional Development (HRS Training).
    - Chrome book lease and repair.
    - We will continue to train teachers with technology needs, provide PD, and help them learn to use upgraded equipment with the use of a Teacher Tech Team.
- Goal #2: During the 2024-25 school year, students will demonstrate improved reading comprehension skills, evidenced by a 10% increase in standardized test scores and academic performance.
    - Offer 7 buyout periods for teachers to work with students and reduce class size.
    - Provide licenses for Shmoop ACT and Aspire test prep.
    - Provide prep classes for ACT
    - Provide licenses for Reading Programs.

Adjourned: Brett motioned, and Janel second.
