What are Illuman Passion Circles?

Simply, they are a new way for Illuman to 'Gather' and ' Connect' men together, by shared experiences and shared callings. Think of them as a 'lite' scaffolding around the Illuman Journey of Illumination.

In Richard Rohr's O.F.M. book Wild Man to Wise Man, his most challenging sentence just may be his shortest. The last sentence in Chapter 14 Three Kinds of Men is this one.

"You can't do this alone"

Illuman Passion Circles are a way to meet men where they are on their Spiritual Journey. Knowing that there are twists in turns on the road of Illumination and we all need help along the way.

The approach is to 'Gather' and 'Connect' men by their Shared Experience and Shared Callings into small Circles, think of them as small communities of Men.

This is where we need your help.

If you are reading this, we know you have a desire to go deep and want to connect. Where we need your help is to know where you are on the Journey, your struggles and your callings.

A simple form will help us.

It will only take a few minutes to fill out and let us know where your experiences and callings lie at the moment. Understanding that they change with time, this new approach will allow for the ebb and flow of the Spiritual Journey so a man can navigate his way through the Circles as the Spirit is calling him to.
