

## **UHN Opportunities for Students – STEM Programming**

At UHN STEM Pathways we provide a variety of free events and offerings for youth. Programming can occur both in-person and virtually. To encourage youth to participate and expand their STEM knowledge, we also provide Certificates of Participation.

All youth who attend **7 UHN STEM Pathways Events** between September 2025 and June 2026 will get a **Certificate of Participation** signed by senior UHN leadership. If youth are from TDSB, TCDSB, WCDSB they will also receive a **Health and Wellness SHSM** certificate (Medical Terminology or Lab Practices). If youth are from a different school board, please contact us to arrange SHSM Certificates with the appropriate teacher.
