

**MTSS Team**  
Oversee MTSS Framework & Student Data

**Core Instruction for All Students**  
(Tier 1 Instruction)

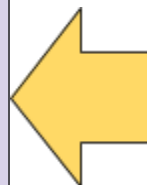

After instructional practices are changed and accommodations are implemented:

**Student & Teacher Assistance Team (STAT)**  
Targeted Intervention #1 (6-8 weeks, targeting skills identified as missing or weak)

After interventions are implemented and data is demonstrating no progress:

**Student & Teacher Assistance Team (STAT)**  
Targeting Intervention #2 (6-8 weeks, targeting skills identified as missing or weak)

**Child Study Team (CST)**  
(After 2 documented interventions targeting the skills have not been successful, the student goes to Child Study to begin evaluation.)
