

The following items will be used in the Young Fives Classroom. Any assistance you could provide with supplying these items would be greatly appreciated!

Individual Supplies

- Backpack
- Water Bottle (No glass, please)
- Blanket for rest time

Classroom Supplies

- Ziplock Bags - Gallon, Quart & Sandwich size
- Kleenex
- Disinfectant Wipes
- Any snack donations would be greatly appreciated

(We have afternoon snack every day, and I collect donations for the occasion that a student forgets to pack one.)

Our classroom has everything else needed for student daily learning! In Young Fives we do not have desks with storage or lockers, so we do not have much room for lots of extra personal school supplies. The above listed is really all that your student/our classroom needs to have a successful year of learning!
