Lady in Pink thumbnail contest!

Rules:

- Must be 1920x1080
- If you include text make sure it says something like "Lady In Pink Mapleshade MAP" and make sure you submit a version without the text as well.
- To submit it, send it in the discord server for the map in the category for the thumbnail contest, or send it to me on twitter @faded_kat
- If you do a speedpaint I'd love to see, and it'll be put into the map playlist with all of the parts
- You must use the designs and background guide provided, and your thumbnail must feature Mapleshade. It's up to you whether you want it to be just Mapleshade or if you want to include anyone else.
- You can only use your own art, no stealing or tracing is allowed.
- The deadline is when all of the parts are completed, I'll send out an announcement a few days before and on the day it closes so no one misses it!
- All of the thumbnails will be featured in the credits of the map.
- Most importantly, have fun!!
