Position Title: College & Career Center Associate

QUALIFICATIONS:

- A. **BA with at least two years experience in college, career counseling, marketing, personnel or similar experience.**
- B. **Ability to initiate contacts with university admissions counselors, students, and parents.**
- C. **Experience in developing programs, organizing events, and maintaining records in a learning/career facility.**
- D. **Ability to initiate events outside of school hours and to prepare information about scholarships and college events for parents and students.**
- E. **Ability to start students and parents on the college admissions/scholarship process.**

REPORTS TO: **School Counseling Department Chairperson at Bethel High School**

JOB GOAL:

The Associate will work independently to perform duties to ensure the adequate functioning of the center and support the work of the guidance and teaching staff. The Associate will choose materials and provide information regarding post-high school education and career planning to students, counselors, parents, and teachers.

PERFORMANCE RESPONSIBILITIES:

1. Create an environment in the Career Center where students are encouraged to explore the Career Center's materials and other means of obtaining career information.
2. Organize and implement events: College Visits, Onsite College Admission Days, Career Day for Juniors, workshops, career talks, and field trips.
3. Accept responsibility under the direction of the School Counseling Department Chairperson, for the day-to-day operation of the Career Center.
4. Hold evening hours for the Career Center, as determined by the principal/School Counseling Chairperson, to benefit parents and students.
5. Visit College and Career Centers in other high schools throughout the school year as a means to incorporate the ideas and programs of other schools into the BHS program.
6. Visit Universities, as directed by the School Counseling Chairperson, to build relationships with admissions counselors, collect materials, and have access to materials provided by the universities.
7. Support and assist the Scholarship Chairperson with the coordination of applications and preparation of the Scholarship Ceremony, and promotion of information to students/families.
8. Work with Military Recruiters to set up information sessions and act as a liaison with students/families as needed.
9. Attend workshops/seminars held by outside organizations (i.e.:Connecticut WorkForce Development Council, CollegeBoard, or other applicable groups) and make materials and seminars provided by that organization available to Bethel High students.
