Accredited Appliance Repair

At Accredited Appliance of Phoenix, we provide the answers to all of your appliance repair concerns. We have the expertise to repair appliances of almost every make and model. Our team of technicians are skilled and perform a variety of different repairs. We continuously educate and train on all aspects of appliance repair. We never stop learning so we can be of more value to you, our customers. Our aim is to be your one source solution for quality appliance repair service in Phoenix. Our reputation is built on honesty, integrity and customer satisfaction.

Accredited Appliance has been in the appliance repair business for more than 35 years. This is a testimony to the quality of service we provide to our customers. We always strive for customer satisfaction and so we offer same day service for your complete convenience. Our common appliance repair services include refrigerator repair, oven repair, washer repair, dishwasher repair, dryer repair, freezer repair, disposal repair, microwave repair, and more.

We love your comments and suggestions regarding our service.

We want to become your trusted appliance service company for years to come. We have a reputation of keeping our customers happy and will always make sure it is kept upheld.

See what our customers have to say about us.
