### **Regional/National Events**

\* Regional/National events will be treated as a tournament. Training in preparation for the event and all other expenses associated with this league are an EXTRA personal expense and are NOT included in the cost of participation. In addition, these players are responsible to pay their own personal travel expenses, event application fee and coach mileage/per diem/hotel, as these expenses are NOT included in the participation fees.

\* If a team qualifies for the National League, the application fee, referee fees and all other expenses associated with this league are an EXTRA personal expense and are NOT included in the cost of participation. In addition, these players are responsible to pay their own personal travel expenses and coach mileage/per diem/hotel, as these expenses are NOT included in the Participation fees.

\* Team Managers may begin collecting these tournament registration fees, Coach per diem/mileage/hotel and National League fees immediately after the Team's Acceptance has been generated.

### **Participation Fee Payment**

\* Club fees for the entire seasonal year are due as scheduled. A payment plan is available to help manage the financial impact on your family. Please note: If you click on the pay-in-full option during the Registration process, but then decide to make payments, you will be advised to complete the registration process over again and an additional administrative fee of \$100 will be charged to your account. (The Administrative fee will be notated as the acceptance fee in the second registration.)

\* Should you choose a payment plan: Payments are due on the 1st of each month and considered late on the 6th. (Any payments received on/after the 6th will have a late fee of \$25 added.)

\* On the 10th of each month, any player with a balance will automatically have their player pass pulled and will not be eligible to participate in any UFA activities (games, tournaments, camps, clinics, etc.) until their financial obligation has been satisfied. If you register for ANY other UFA activities, the player will not be permitted to participate in that activity. UFA reserves the right to cancel the Registration and allocate those funds toward the past due Registration fees.

\* The Coach, Team Manager and Parent will be notified via email of any player with an outstanding balance on the 7th of each month. This is not to embarrass anyone; however, the Coach and Team Manager need to know they may be missing a player for the next game.

\* If your account is 30 days past due, the player will NOT be permitted to attend practices until the financial obligation has been satisfied.

\* U7/U8 - U14 will have a payment plan option of 5 monthly installments or new 7 monthly installments, including a convenience fee of \$10 per month. If you register after October 15th, your number of monthly installments will be reduced.

\* If your "HOME" team is different from the team you are rostered on, you pay the "HOME" Team Registration and tournament fees. (i.e.: If your player is rostered on one team but will primarily practice/play with another team, you will be charged the primary team's fees.)

\* UFA has adopted the following policy: There will be a \$35 fee added to the player's account in the event of a check being returned due to insufficient funds and/or a chargeback is initiated.
