I need help carrying...

- A scotsman (Ross will be pulled up in a sled due to some temporary mobility issues. Those of us pulling would appreciate it if groups passing the sled could pause to help pull for 20 min or so)
- Gear from the people who are pulling Ross. They want to have as little extra weight as possible when they pull a 65 kg scotsman up the mountain. So they will leave some gear at the parking lot to be picked up by the rest of you (please).

Tent sharing

- 2pp tent occupied by Roland and Shu Yu
- 2pp tent Nicole and Cora (full)
- 2pp Lucy and Alberto (full)
- 2pp Else + Liz (full)
- 2pp Tom and Tor

If nothing comes up it might be a good idea to rent a tent.

e.g. I have x places in my tent, contact me if you are cuddly and need a spot.

Spare kilts

- 1 spare kilt (from Emily)

Robbie Burns night rituals

info here (idea is to take the piss in our odes/address')

1. Hosts welcoming speech

arran Mc Mackeyface

2. Address to a haggiss

Ross Campbell

3. Address to the lassies

Tom Curran (non woman)

4. Address to the laddies

Maybe Joane but someone else please? Did it last time. (non male needed). Lucy should step up since she's half-ish Scottish! → Lucy doesn't have time to write an address. She nominates Birgit. Nope, Birgit is far far too busy being very important to address all the laddies. She nominates Julie.
