Chad Danyluck

Curriculum Vitae

Department of Psychology
Carleton University
1125 Colonel By Drive
Ottawa, ON, K1S 5B6

Office: (613)-520-2600 extension: 1013
chad.danyluck@carleton.ca

Degrees

PhD Psychology, 2017	University of Toronto
MA Psychology, 2012	University of Toronto
BA (Honors) Psychology, 2010	Simon Fraser University

Employment

Assistant Professor, *Health Psychology* Department of Psychology, Carleton University	2020-present
Postdoctoral Fellow Department of Psychology and Neuroscience, University of Colorado	2019-2020
Postdoctoral Fellow Centers for American Indian and Alaska Native Health, University of Colorado	2017-2019

Additional Training

Power Analysis in Structural Equation Modeling, York University	2023
Native Alzheimer's Disease Resource Center for Minority Aging Research	2019-2020
American Heart Association Research Leadership Academy	2018
American Heart Association Strategically Funded Research Network Fellow	2017-2019
Summer Institute in Social and Personality Psychology	2015

Honors and Awards

Indspire, Canadian Imperial Bank of Commerce Achievers Scholarship	2016
Indspire, Post-secondary Education Scholarship	2014
Indspire, Canadian Imperial Bank of Commerce Achievers Scholarship	2014
Society for Personality and Social Psychology, Diversity Fund Travel Award	2013

Society for Personality and Social Psychology, Graduate Student Travel Award	2013
Association for Psychological Science, Volunteer/Student Travel Award	2013
Canadian Psychological Association, Brendan Gail Rule Award (2nd place)	2013
Indspire, Post-secondary Education Scholarship	2013
Social Sciences and Humanities Research Council Doctoral Fellowship	2012-2017
Indspire, Post-secondary Education Scholarship	2012
National Aboriginal Achievement Foundation, Post-secondary Education Scholarship	2011

Research Awards and Grants

Mental Health and Well-being Research and Training Hub 2021-2022
Title: Blood Pressure Disparities, Nocturnal Dipping, and Minority Stress in Sexual Minorities
Role: Principle Investigator
Total award: $1,500

Social Sciences and Humanities Research Council of Canada – Insight Development Grant 2021-2024
Title: "Discrimination-related stress transmission and wellbeing in romantic relationships."
Role: Principle Investigator
Total award: $44,126
Award number: 430-2021-00681

Mental Health and Well-being Research and Training Hub 2021-2022
Title: Vicarious Crime Exposure and Well-being in Family and Friends of Victims of Crime
Role: Principle Investigator
Total award: $1,500

National Institute on Minority Health and Health Disparities Alzheimer's Disease & Precision Medicine Center of Excellence Pilot 2019-2020
Title: "The Effects of Discrimination and Historical Trauma on Risk Factors for Cognitive Impairment and Alzheimer's Disease Among Aging American Indians and Alaska Natives"
Role: Principle Investigator
Total award: $37,500

Social Sciences and Humanities Research Council of Canada – Insight Grant 2018-2022
Title: "Interpersonal emotion regulation in sport."

Role: Co-applicant (PI: Katherine Tamminen)
Total award: $131,672
Award number: 435-2018-0869

Social Sciences and Humanities Research Council of Canada – Sport Participation Research Initiative Grant 2018-2022
Title: "Interpersonal emotion regulation in sport."
Role: Co-applicant (PI: Katherine Tamminen)
Total award: $20,000

University of Toronto - Faculty of Kinesiology and Physical Education Internal Research Award 2018-2022
Title: "Interpersonal emotion regulation in sport."
Role: Co-applicant (PI: Katherine Tamminen)
Total award: $9,817.20

Active Learning Online Redesign Grant 2014
Role: Beta-tester (PI: Steve Joordens)
Total award: $2,000

University of Toronto School of Graduate Studies Conference Grant 2012
Total award: $580

Canadian Psychological Association Student Travel Grant 2012
Total award: $90

Publications

** Indicates a mentee; [1]indicates joint first author*

Summary
12 peer-reviewed publications
1 book chapter
0 manuscripts under review

[1]Tamminen, K., [1]**Danyluck, C.,** Bonk, D., & *Chen, R. (2023). Syncing to perform? A naturalistic uncontrolled prospective case study of emotional and physiological synchrony in a team of male volleyball athletes. *Journal of Sports Sciences*

Kim, J., Tamminen, K. A., Bissett, J. E., **Danyluck, C.**, Wolf, S. A., McEwen, C., & Wagstaff, C. R. D. (2023). "I hate it when that happens too!": Observed and perceived exchanges of social support between university student-athletes during discussions of stressors. *International Journal of Sport and Exercise Psychology.* Advance online publication. https://doi.org/10.1080/1612197X.2022.2161106

Brondolo, E., Simons, R. R., Keating, L. H., Vincent, B., Kittleman, J., Roth, A., Basello, G., **Danyluck, C.** & Blair, I. (2022). *Racial/ethnic discrimination and*

food consumption: Examination in diverse samples. Annals of Behavioral Medicine.

*Boyd, S. M., Kuelz, A., Page-Gould, E., Butler, E. A., & **Danyluck, C.** (2022). An exploratory study of physiological linkage among strangers. *Frontiers in Neuroergonomics*

Page-Gould, E., Harris, K., MacInnis, C. C., **Danyluck, C.,** & Miller, I. D. (2022). The intergroup perspective on cross-group friendship. *Advances in Experimental Social Psychology.*

Danyluck, C., Blair, I. V., Manson, S. M., Laudenslager, M. L., Daugherty, S. L. & Brondolo, E. (2021). Discrimination and sleep impairment in American Indians and Alaska Natives. *Annals of Behavioral Medicine.*

Tamminen, K. A., Kim, J., **Danyluck, C.**, McEwen, C., Wagstaff, C. R. D., & Wolf, S. (2021). The effect of self- and interpersonal emotion regulation on athletes' anxiety and goal achievement in competition. *Psychology of Sport and Exercise (special issue on Emotions in Sport)*.

Danyluck, C., Blair, I. V., Manson, S. M., Laudenslager, M. L., Daugherty, S. L., … & Brondolo, E. (2021). Older and Wiser? Age Moderates the Association between Discrimination and Depressive Symptoms in American Indians and Alaska Natives. *Journal of Aging and Health (special issue on Aging and Health of American Indians and Alaska Natives: Evidence from Scholars of the Native Elder Research Center).*

Hendriks, T., Pritikin, J., Choudhary, R., & **Danyluck, C.** (2021). Exploring the relationship between character strengths and meditation: A cross-sectional study among long-term practitioners of Sahaja Yoga meditation. *International Journal of Applied Positive Psychology.*

Blair, I. V., **Danyluck, C.**, Judd, C. M., Manson, S. M., Laudenslager, M. L., Daugherty, S. L., … & Brondolo, E. (2021). Validation of the Brief Perceived Ethnic Discrimination Questionnaire – Community Version, in American Indians. *Cultural Diversity and Ethnic Minority Psychology.*

Danyluck, C. & Page-Gould, E. (2019). Social and physiological context affects the meaning of physiological synchrony. *Scientific Reports.* doi: 10.1038/s41598-019-44667-5.

Danyluck, C. & Page-Gould, E. (2018). Intergroup dissimilarity predicts physiological synchrony and affiliation in intergroup interaction. *Journal of Experimental Social Psychology, 74*, 111-120.

Page-Gould, E. & **Danyluck, C.** (2016). *The biological perspective on intergroup relations.* Invited chapter for E. Harmon-Jones & M. Inzlicht (Eds.), Social Neuroscience: Biological Approaches to Social Psychology. Psychology Press.

Manuscripts Under Review and In Preparation

** Indicates a mentee; [1]indicates joint first author*

Danyluck, C., Howard, A., Blair, I. V., Brondolo, E., & Manson, S. M. (in preparation). Discrimination-related stress transmission and wellbeing in romantic relationships.

Danyluck, C., Tamminen, K. A., Kim, J., McEwen, C., Wagstaff, C. R. D., & Wolf, S. (in preparation). Co-rumination and physiological co-regulation during athletes' conversations about sport-related stressors.

Adams, M., Morozink Boylan, J., **Danyluck, C.**, & Blair, I. V. (in preparation). Discrimination and Cardiovascular Health: Examining Daily Spiritual Experiences as a Protective Factor

Professional Presentations

Chaired Symposia

Danyluck, C. (2023, June, Chair). Vicarious discrimination exposure, health, and well-being in historically marginalized communities**.** Symposium conducted at the annual meeting of the *Society for the Psychological Study of Social Issues*, Denver, CO.

Danyluck, C. (2019, February, Chair). Resilience and persistence: Indigenous Peoples' responses to colonial harms. Symposium conducted at the *20th annual meeting of the Society for Personality and Social Psychology*, Portland, OR.

Danyluck, C. (2018, March, Chair). Physiological synchrony and interpersonal processes: How shared physiology shapes interactions. Symposium conducted at the *19th annual meeting of the Society for Personality and Social Psychology*, Atlanta, GA.

Danyluck, C. (2017, January, Chair). Shared physiological states: Recent advances in physiological synchrony research. Symposium conducted at the *18th annual meeting of the Society for Personality and Social Psychology*, San Antonio, TX.

Danyluck, C. & Aknin, L. (2014, June, Chairs). The pro-social and anti-social effect of money. Symposium conducted at the *75th annual convention of the Canadian Psychological Association,* Vancouver, BC.

Symposia Presentations

Danyluck, C., Howard, A., Blair, I. V., Brondolo, E., & Manson, S. M. (2023, June). Discrimination-related stress transmission and well-being in close relationships. *Annual meeting of the Society for the Psychological Study of Social Issues,* Denver, CO.

*O'brien-LeBlanc, S**.** & **Danyluck, C.** (May 11, 2023). A narrative review into oppressive language use in scientific methodology with 2SLGBTQ+ communities. *Interdisciplinary Conference in Psychology*, Ottawa, ON.

Danyluck, C. (May 3-6, 2022). Navigating the academy in the sciences. *Mawachihitotaak (Let's Get Together): Métis Symposium* (virtual format).

Kim, J., Tamminen, K. A., **Danyluck, C.**, Wagstaff, C. R. D., McEwen, C., & Wolf, S. (October 28-29, 2021). Athletes' self- and interpersonal emotion regulation and their effects on anxiety and goal achievement during competition. *Sport Canada Research Initiative Conference* (virtual format).

Kim, J., Tamminen, K. A., Bissett, J. E., **Danyluck, C.**, Wolf, S. A., McEwen, C., & Wagstaff, C. R. D. (July 11-16, 2022). What types of social support do teammates actually provide? Examination of teammate dyads' discussions regarding stressors. *European Congress of Sport & Exercise Psychology (FEPSAC)*, Padova, Italy.

Kim, J., Tamminen, K. A., **Danyluck, C.**, McEwen, C. E., Wolf, S. A., & Wagstaff, C. R. D. (2021, June). The effect of self-regulation and interpersonal emotion regulation on athletes' anxiety and goal achievement in competition. *North American Society for the Psychology of Sport and Physical Activity Conference* (virtual format).

Danyluck, C., Blair, I. V., Brondolo, E., Laudenslager, M., Daugherty, S., Manson, S. M., Kelsey, R. M., & Correll, J. (2021, February). Mental health moderates stress reactivity in American Indians and Alaska Natives during a discrimination-based stressor. *22nd annual meeting of the Society for Personality and Social Psychology,* Austin, TX.

Danyluck, C., Blair, I. V., Laudenslager, M., Daugherty, S., Manson, S. M., Correll, J. & Brondolo, E. (2020, March—cancelled due to COVID-19). Discrimination and sleep quality among American Indians and Alaska Natives. *78th annual scientific meeting of the American Psychosomatic Society,* Long Beach, CA.

Tamminen, K., **Danyluck, C.,** & *Chen, R. (2019, October). Syncing to perform: A longitudinal case study of emotional and physiological synchrony in a team of male volleyball athletes. *Annual meeting of the Canadian Society for Psychomotor Learning and Sport Psychology*, Vancouver, BC.

Danyluck, C., Blair, I. V., Laudenslager, M., Daugherty, S., Manson, S. M., Correll, J. & Brondolo, E. (2019, September). Discrimination and sleep quality among American Indians and Alaska Natives. *American Heart Association Strategically Funded Research Networks Annual Meeting*, Baltimore, MD.

Danyluck, C., Blair, I. V., Brondolo, E., Laudenslager, M., Daugherty, S., Manson, S. M., & Judd, C. M. (2019, March). Parasympathetic activity in Indigenous Peoples during a discrimination experience speaking task. *77th annual scientific meeting of the American Psychosomatic Society,* Vancouver, BC.

Danyluck, C. et al. (2019, February). Parasympathetic activity in Indigenous Peoples during a discrimination experience speaking task. *20th annual meeting of the Society for Personality and Social Psychology*, Portland, OR.

Danyluck, C. & Page-Gould, E. (2018, March). Physiological synchrony and interpersonal processes: How shared physiology shapes interactions. 19th annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.

Danyluck, C. & Page-Gould, E. (2017, January). Physiological synchrony during group meditations: Group size affects shared physiology. *18th annual meeting of the Society for Personality and Social Psychology*, San Antonio, TX.

Danyluck, C., Schmitt, M. T., & Blatz, C. W. (2014, June). What can we afford? The social costs of materialistic values and money salience. *75th annual convention of the Canadian Psychological Association,* Vancouver, BC.

Page-Gould, E., & **Danyluck, C.** (2013, January). Cross-group friendship and resilience to negative intergroup interactions. In M. Henderson (Chair), *The benefits and burdens of cross-group interactions. 14th annual meeting of the Society for Personality and Social Psychology*, New Orleans, LA.

Danyluck, C., Schmitt, M. T. & Blatz, C. W. (2012, June). Believing money buys happiness moderates money's effect on self-sufficiency values. *9th Biennial Convention of the Society for the Psychological Study of Social Issues,* Charlotte, NC.

Danyluck, C., Schmitt, M. T., & Blatz, C. W. (2011, August). "Money buys happiness" and the consequences of thinking about money. *Pacific Conference on Prejudice and Culture,* Bellingham, WA.

Danyluck, C., Schmitt, M. T., & Blatz, C. W. (2010, June). The interactive effects of materialism and money reminders on self-sufficiency values. *8th Biennial Convention of the Society for the Psychological Study of Social Issues*, New Orleans, LA.

Poster Presentations

Danyluck, C., Kim, J., & Tamminen, K. (2023, October). Co-Regulation of Physiological Arousal in Social Support Interactions among University Athletes: The Role of Co-rumination. Poster presented at the *Annual meeting of the Canadian Society for Psychomotor Learning and Sport Psychology*, Kingston, ON.

*Ranger, A., **Danyluck, C.**, & Liu, Y. (2023, June). The Couples Intimacy Study: Effects of vicarious crime exposure on wellbeing in victims and their romantic partners. Poster presented at the *84th Annual National Convention of the Canadian Psychological Association*, Toronto, ON.

Kim, J., Tamminen, K. A., Bissett, J. E., **Danyluck, C.**, Wagstaff, C. R. D., McEwen, C., & Wolf, S. A. (2022, October). Talking about stress within teammates: An observational study of teammate conversations and social support. *Sport Canada Research Initiative Conference* (virtual format).

Briner, E., L., Benzouak, T., Gunpat, S., Burns, R., & **Danyluck, C.** (2022, June). Life satisfaction as a protective predictor of mortality by non-communicative diseases: A country-level analysis. Poster presented at the *83rd Annual National Convention of the Canadian Psychological Association*, Calgary, AB.

Adams, M., Boylan, J.M., **Danyluck, C.**, & Blair, I. (2022, March). Discrimination and cardiovascular health: Examining daily spiritual experiences as a protective factor. Poster presented at the *79th Annual Meeting of the American Psychosomatic Society*, Long Beach, CA.

Danyluck, C., Tamminen, K., & Chen, R. (2020, July). Physiological synchrony during a pre-practice routine is associated with poor performance in a team of male volleyball athletes. Poster presented at the *30th Annual International Society for Chaos Theory in Psychology and Life Sciences Conference,* Toronto, ON.

Hill-Rucker, J., Reid, T., Roland, M., Huynh, C., Schettini, N., Persaud, J., Elizondo, R., Meyer, A., Blair, I. V., **Danyluck, C.**, & Brondolo, E. (2020, March). Qualitative analyses of experiences of discrimination faced by non-reservation dwelling American Indians. *Annual Meeting of the Eastern Psychological Association*, Boston, MA.

Tamminen, K. A., McEwen, C., Wagstaff, C., **Danyluck, C.**, & Wolf, S. (2019, October). Interpersonal emotion regulation in sport: Project overview. *The Sport Canada Research Initiative Conference*, Ottawa, Canada.

Danyluck, C., Blair, I. V., Brondolo, E., Laudenslager, M., Daugherty, S., Manson, S. M., & Judd, C. M. (2018, March). Investigating Parasympathetic Activity in Urban American Indians during a Discrimination Experience Speaking Task. *American Heart Association Strategically Funded Research Networks Annual Meeting*, New Orleans, LA.

Danyluck, C. & Page-Gould, E. (2017, January). Intergroup dissimilarity predicts physiological synchrony and positive affect within cross-group dyads. *Group Processes and Intergroup Relations Pre-conference at the 18th annual meeting of the Society for Personality and Social Psychology*, San Antonio, TX.

Danyluck, C., Page-Gould, E., & Inzlicht, M. (2015, October). Neural evidence for an association between meditation experience and lower implicit prejudice. *55th annual meeting of the Society for Psychophysiological Research,* Seattle, WA.

Danyluck, C. & Page-Gould, E. (2015, February). I like you as you seem: The upside to interpersonal inaccuracy. *16th annual meeting of the Society for Personality and Social Psychology*, Long Beach, CA.

Danyluck, C. & Page-Gould, E. (2015, May). I like you as you seem: The upside to interpersonal inaccuracy. *27th annual convention of the Association for Psychological Science*, New York, NY.

Danyluck, C. & Page-Gould, E. (2015, February). Self-bias and stereotypes affect personality judgments of novel outgroup members. *123th American Psychological Association annual convention*, Toronto, ON.

Danyluck C. & Page-Gould, E. (2014, February). Preexisting intergroup relations and the moment-to-moment experience of intergroup interactions. *15th annual meeting of the Society for Personality and Social Psychology*, Austin, TX.

Danyluck C. & Page-Gould, E. (2013, January). Perceived similarity and conflict, and the (un)predictability of intergroup interactions. *14th annual meeting of the Society for Personality and Social Psychology*, New Orleans, LA.

Danyluck, C. & Page-Gould, E. (2013, May). Birds of a convergent feather: The inter-relationship between perceived similarity, conflict and cross-race friendship potential. *25th annual convention of the Association for Psychological Science*, Washington, DC.

Danyluck, C. & Page-Gould, E. (2013, June). The impact of perceived similarity and conflict on autonomic recovery among people with cross-group friends. *Social Personality Pre-conference at the 74th annual convention of the Canadian Psychological Association,* Quebec City, QC.

Danyluck, C. & Page-Gould, E. (2013, June). Birds of a convergent feather: The inter-relationship between perceived similarity, conflict and cross-race friendship potential. *74th annual convention of the Canadian Psychological Association,* Quebec City, QC.

Danyluck, C. & Page-Gould, E. (2013, October). The impact of perceived similarity and conflict on autonomic recovery among people with cross-group friends. *53rd annual meeting of the Society for Psychophysiological Research,* Florence, Italy.

Danyluck, C. & Page-Gould, E. (2013, October). The physiological link between perceived similarity, conflict, and cross-group friendship potential. *53rd annual meeting of the Society for Psychophysiological Research,* Florence, Italy.

Academic Responsibilities

Carleton University

Undergraduate Courses Taught

PSYC 3100A, Social Psychology Honours Thesis Seminar	2020-present
PSYC 4001A, Psychophysiological Methods	2020-present
PSYC 4001H, Indigenous Mental Health	2021-present
PSYC 4001A, Physiological Synchrony	2022-present

Graduate Courses Taught

PSYC 5800X, Psychophysiological Methods	2020-present

PSYC 5804E, Indigenous Mental Health 2021-present
PSYC 5209F, Physiological Synchrony 2022-present

Supervision

Carleton University

PhD (1)

Joshua Remedios; *Blood pressure disparities, nocturnal dipping, and minority stress in sexual minorities* (co-supervised with Katie Gunnell)	2021	in progress

MA (2)

Tarek Benzouak; *Is cardiac activity contagious? The influence of socioeconomic status on dyadic physiological synchrony*	2022	in progress
Anna Ranger; *Effects of vicarious crime exposure on wellbeing in victims and their romantic partners* (co-supervised with Yan Liu)	2021	in progress

Honours (11)

Muntaha Panhwar	2023	2024
Saghar Shadabi	2023	2024
Shine Soki	2023	2024
Suhur Adan; *Emotion regulation and physiological synchrony during social support among team athletes*	2022	2023
Olivia Perry; *Physiological synchrony and perceived social support among athletes*	2022	2023
Jennifer Crookshank; *An investigation of the moderating effect of childhood adversity on the associations between cortisol/neuroendocrine response, depression, coping, and academic performance in young adulthood* (co-mentored with Robyn McQuaid)	2022	2023
Cosette Charbonneau; *The role of a diverse social circle on psychological threat*	2021	2022
Haesun Jung; *Feelings towards anti-Asian hate crime victims and perpetrators*	2021	2022

Kiara Brouillette; *Physiological synchrony during client-therapist interactions: A systematic review* 2020 2021

Sreyasi Datta; *Threat responses among low and high ethnic identifiers during intergroup interactions* 2020 2021

Jason Vaiakis; *A systematic review and mini meta-analysis of physiological synchrony and its relation to collaborative learning* 2020 2021

Independent Studies (2)

Shannon LeBlanc Winter 2023

Cosette Charbonneau Summer 2022

Student Committees

William Van Veen, Committee member for MA Thesis defense 2023

Isabella Blossom, Committee member for MA Thesis defense 2022

Araby Roberts, Committee member for MA Thesis defense 2022

Joshua Remedios, Committee member for MA Thesis defense 2021

University of Colorado

PhD (1)

Flux Michael Caruso (Clinical Psychology) 2017-2020

Co-mentored with Dr. Irene Blair: data processing, data analysis, writing; Currently preparing a manuscript examining the interrelationship between physiological stress systems (Hypothalamic Pituitary Adrenal Axis, Sympathetic Adrenal Medullary Axis) over the course of a discrimination-based stressor

Professional Research Assistant

Blythe Muth 2018-2020

Co-mentored with Dr. Irene Blair: study design, research ethics, data collection, data processing, data analysis, writing; Conducted pilot research to examine whether simultaneously manipulating similarity of personal identity and dissimilarity of social identity provides the most optimal conditions for the emergence of cross-group friendships

Undergraduate Student

Ogechi Hippolye

Co-mentored with Dr. Irene Blair: data analysis; Completed Undergraduate Research Opportunities Program 2018-2019

University of Toronto

Undergraduate Student

Ruochen Chen 2017-2019

Study design, data processing, data analysis, data syntax (R); Preparing a manuscript examining the effect of group size on physiological synchrony during group-based meditation.

Mentored ~50 undergraduate, graduate, and postdoctoral students 2011-2017

Collected and processed physiological data including electrocardiograph, impedance cardiograph, electrodermal, photo plethysmograph, blood pressure, and respiration data

Invited Guest Lectures

University of Toronto

Canada Student Research Opportunity Program, *Centering Your Sense of Purpose* 2021-2023

KPE325, *Stress & Coping* 2021

PSYD15, *Psychology of Religion* 2016

Service to Profession

Editorial Responsibilities

Journal of Social and Personal Relationships, *Consulting Editor* 2023-present

Scholarly Assessment

Social and Personality Psychology Compass, *Ad Hoc Reviewer* 2022-present
