This is lengthy because for the last nearly 4, 20 year generations, i.e. those Constitutional-Persons, Natural or Naturalized, who are in early 70's and all ages less than that, have been categorically forbidden any knowledge of Truth in The Gospel of Christ Jesus:

**§176. Respect for Our Flag**

>>>You do not wear Our Flag. >>>>You do not eat off Our Flag. >>>>>You do not sit on Our Flag.  
>>>>>You do not fly a dirty, torn Flag. >>>>You do not hang it on freeway over-cross, pedestrian bridges, or in any location where it cannot be protected and treated with all the Love you can Give God in OUR MAGNIFICENT NATION -- YOU HAVE BEEN SO FOOLED and LIED TO BY GOVERNMENT-OF-MAN -CHOOSING AND SERVING-MAN, IN YOUR PURITY AND INNOCENCE,

especially as compared to the nations of Biblical-Political-ecclesiastical, civil-state, magistrate of Western European (Papal Authority-One religion ruling the whole world, -- except the Orient, Saracens -- Ottoman Empire) and Western Asia [Baltic nations towards India] who have been living a lie since 2nd Pope Linus, 1,942 years... and counting.

An HONOR CODE IS ORAL, COMMON LAW -- THERE IS NO PUNISHMENT, SINCE ORAL COMMON LAW IS YOUR ASSUMED OBEDIENCE TO THE CREATOR OF THE UNIVERSE IN HIS PERFECT LOVE, IN CHRIST JESUS - JOY, AND IN YOUR PEACE, AS YOU SUCCEED IN YOUR CHALLENGE of Your Life, Liberty and pursuit of Happiness/ Blessedness, for " Religion, in its most comprehensive sense, includes a belief in the being and perfections of God, in the revelation of his will to man, in man's obligation to obey his commands, in a state of reward and punishment, and in man's accountableness [YOUR PERSON DIRECTLY To God WHO IS YOUR ONLY JUDGE]; and also true godliness or piety of life, with the practice of all moral duties. It therefore comprehends theology, as a system of doctrines or principles, as well as practical piety; for the practice of moral duties without a belief in a divine lawgiver, and without reference to his will or commands, is not religion." It is not a group activity. The sentence, "The Bible is written for community and not for an Individual" -- is blasphemy of all Three Persons Holy Spirit-TRUTH, as is the word, "democracy". Papal Authority's corruption is not against any INDIVIDUAL-Person's Free Will Choice religion/ church of creeds, rites, ceremonies, forms, denominations, compulsion of conscience/ workers of iniquity-government of man, but does mean...GOD IS THE ONLY JUDGE:

“¶12. ## == RESPECT FOR OUR FLAG:

>>>>(d) The flag should never be used as wearing apparel [HAIR, JEWELRY], bedding, or drapery. >>>>It should never be festooned, drawn back, nor up, in folds, but always allowed to fall free. Bunting of blue, white, and red, always arranged with the blue above, the white in the middle, and the red below, should be used for covering a speaker's desk, draping the front of the platform, and for decoration in general. (e) The flag should never be fastened, displayed, used, or stored in such a manner as to permit it to be easily torn, soiled, or damaged in any way. (f) The flag should never be used as a covering for a ceiling. >>>(g) The flag should never have placed upon it, nor on any part of it, nor attached to it any mark, insignia, letter, word, figure, design, picture, or drawing of any nature. >>>>(h) The flag should never be used as a receptacle for receiving, holding, carrying, or delivering anything. >>>>>>(i) The flag should never be used for advertising purposes in any manner whatsoever. It should not be embroidered on such articles as cushions or handkerchiefs and the like, printed or otherwise impressed on paper napkins or boxes or anything that is designed for temporary use and discard. Advertising signs should not be fastened to a staff or halyard from which the flag is flown. >>>>>>>(j) No part of the flag should ever be used as a costume or athletic uniform. However, a flag patch may be affixed to the uniform of military personnel, firemen, policemen, and members of patriotic organizations. The flag represents a living country and IS ITSELF CONSIDERED A LIVING OBJECT, THING. Therefore, the lapel flag pin being a replica, should be worn on the left lapel near the heart. (k) The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning.

### PERFECT, RIGHT REASON To Be Our NATIONAL ANTHEM

“O say can you see, by the dawn's early light, What so proudly we hail'd at the twilight's last gleaming,  
Whose broad stripes and bright stars through the perilous fight O'er the ramparts we watch'd were so gallantly streaming? And the rocket's red glare, the bombs bursting in air, Gave proof through the night that our flag was still there, O say does that star-spangled banner yet wave O'er the land of the free and the home of the brave?

On the shore dimly seen through the mists of the deep Where the foe's haughty host in dread silence reposes,  
What is that which the breeze, o'er the towering steep, As it fitfully blows, half conceals, half discloses? Now it catches the gleam of the morning's first beam, In full glory reflected now shines in the stream, 'Tis the star-spangled banner—O long may it wave O'er the land of the free and the home of the brave!

And where is that band who so vauntingly swore, That the *havoc* of war and the battle's confusion A home and a Country should leave us no more? *Their blood has wash'd out their foul footstep's pollution. No refuge*

could save the hireling and slave From the terror of flight or the gloom of the grave, And the star-spangled banner in triumph doth wave O'er the land of the free and the home of the brave.O thus be it ever when freemen shall stand Between their lov'd home and the war's desolation! Blest with vict'ry and peace may the heav'n rescued land Praise the power that hath made and preserv'd us a nation! Then conquer we must, when our cause it is just, And this be our motto – “In God is our trust,” And the star-spangled banner in triumph shall wave O'er the land of the free and the home of the brave.”

I don't think that Attorney Keye, could have better expressed the duty he was present to perform, and while there, observed --- “*through the perilous fight...*, all of these descriptors:

*haughty host in dread silence reposes*, havoc of war and the battle's confusion-blood has wash'd out their foul footstep's pollution “No refuge could save the hireling and slave...totally absent the iambic pentameter whole.. From the terror of flight or the gloom of the grave, and “..the state of entire subjection of one person to the will of another. Slavery is the obligation to labor for the benefit of the master, without the contract of consent of the servant. Slavery is also voluntary or involuntary; voluntary, when a person sells or yields his own person to the absolute command of another; involuntary, when he is placed under the absolute power of another without his own consent; The offices of a slave; drudgery;” meaning, physiological organ of skin color has no more to do with any person, than life's situation of that person for lots of fleshy, stony-spirit of devil reasons often absent for “our cause it Is Just/ Right, Holy Spirit-Truth, One God in Three, Individual Persons, as connected to the reason for this remonstrance.

Attorney Keye's summary and conclusion: war's desolation...Then conquer we must, when our cause it is just, And this be our motto – “In God is our trust,” is where he took himself and hoped among the person he was going to obtain release, and all the persons involved...could find some respite in the closing stanza.
