

Annville Elementary School

Mrs. Rebecca Hoover – Principal
Mrs. Angel Slabach – Administrative Assistant to the Principal

April 6, 2025

Dear Parent/Guardian,

Beginning April 24, 2025 and continuing through the beginning of May, the Annville-Cleona School District will be administering the Pennsylvania System of School Assessment (PSSA). These tests are intensive assessments used to measure your child's mastery of the required curricular standards in both English Language Arts and Mathematics (grades 3-8) and Science (grades 5 and 8) as prescribed by the Pennsylvania State Board of Education.

The PSSA Testing Schedule is printed on the second page of this letter. Please carefully review the assessment schedule with your child. It is imperative that families refrain from scheduling vacations or appointments during the testing window whenever possible so that we can maximize assessment time and minimize disruptions for our students.

As part of test security measures, the Pennsylvania Department of Education dictates the district must collect student cell phones and smart watches prior to administering PSSA tests. Please be aware that if your child brings a personal electronic device to school, it will be collected in a central location in the testing area prior to testing and then redistributed at the conclusion of each test session. Please make sure you review this with your child.

The PSSAs provide essential information regarding your child's level of performance, each school's performance, and our overall district's performance regarding mastery of state standards. It is very important that students are well rested and prepared to their best on this assessment. We appreciate your support of your child's best effort as we work to gain an accurate understanding of each student and our overall strengths and needs as a district.

If you should have any questions about the PSSA or would like further information on the standards, you may visit the Pennsylvania Department of Education website (www.pde.state.pa.us). We appreciate your support, as always, as we work together toward improved student achievement and growth.

Kind regards,

Rebecca Hoover
Annville Elementary Principal
