Texas Caviar Recipe-- herding cats & burning soup

Original Recipe I Worked Off Of:

Combine the following ingredients and serve with chips.

- 1 can corn
- 1 Avocado, diced
- 1 can Black beans, rinsed
- 1/2 cup Cilantro, fresh
- 1/2 tsp Garlic powder
- 1 Green bell pepper
- 1 Jalapeno
- 1/2 Red onion
- 6 Roma tomatoes
- 1 Yellow bell pepper
- 3/4 cup Italian dressing
- 1/2 tsp Chili powder
- Kosher salt and freshly ground pepper
- 1/2 tsp Cumin

My Adjustments

- I switched out the Italian dressing for lime juice and a little olive oil
- I also left out the jalapeno.
- I accidentally doubled all of the seasonings but it worked and wasn't overwhelming. I think probably since I left out the Italian dressing.
