RULES

General rules-

- Discord is mandatory (for communication and organisational reasons).
- There are Four codewords, put them in order to make a sentence {script, rules, & Designs slide}.
- You have to follow the designs, there will be different character designs in your allocated part. Look in the script to know which designs you are using.
- Codeword 1: Butterflies
- Two parts per person.
- Wip check ins are every 2-3 weeks
- Do not apply if you are under 13 this map only accepts people who are 13+ since you have to join the discord and some triggers in the script (for your protection)
- This map is not a first-serve or beginner-friendly map though don't be afraid to apply!
- Applications in the comments and without codewords will be disregarded.
- No watermarks whether it will be a personal watermark or from a program.
- Parts will be chosen 3 days after the map call premiers.
- Please ensure you apply through the Google forms linked in the description or discord server, do not apply outside the Google forms

Participant rules-

- IF YOU NEED I CAN MAKE A STORYBOARD FOR YOUR PART
- Parts must be at least a 1920x1080 screen size, although they can have a larger resolution as long as it fits the 16:9 ratio.
- There will be different character designs in your allocated part. Look in the Art direction and script to know which designs you are using.
- AMV, Tweening and PMV are allowed though AMV is preferred
- Collabs are allowed and encouraged!
- If your part has lip-sync AMV is required
- No watermarks whether it will be a personal watermark or from a program.
- If you need help understanding the script or storyboard let me know!
- Please animate/tween the background according to camera movement, don't just keep it still when a character is flying etc
- Shading is required, you have to follow the shading guide according to your part!
- Minor gore is allowed not too much though!
- Green Screens are allowed.
- There will be wip checks every two or three weeks.

- Codsworth 2: Drifting

Extra Information

I will allow the designs to be used outside the map though just **ask Kaeyathrei to get permission.**

-There will be a thumbnail contest anyone can join though it won't open until 2 weeks after the map call premiers.

You can do fake map parts just make sure you read the part list before doing a fake map part to make sure the part you're doing it for allows a fake map part

Fan art is allowed and encouraged as it will be shown at the end of the complete map! Just @ me on youtube/Discord/DeviantArt to let me know <33

Comment APPLIED under the map call after you finish applying for the map.

After you receive the part you have to verify which part you received in the discord server->
