5. Council/community concerns

Minutes: Joocy asked how the school year is going so far.

6. Comments from Ms. Tona Graff

Minutes: Tona shared about how the phone policy and how it has been going. She shared that we were nervous at first, but it has been going really well. In between classes and lunch has been a little harder, and phones have been taken. On Friday's there has been more taken. But it has been slowing down now. Admin has been having conversations with students that are getting them taken more than once. We feel the support from our parents and we have not noticed power struggles with the students when phones are taken away. We are grateful for the support of our community and parents' support of this policy. We did get the pouches, and we are storing mostly in the office and students can pick them up at the end of day. We currently have 1,310 students enrolled in the school this year. Jocoy asked what the school was built for. Tona assumed we were built for about 1,100. We have 6 portable classrooms, it is helpful. Having the portables on the back of the building, it has helped with hallway flow, and crowded areas in our hallways. Melissa talked about the new class that she is teaching this school year, The level 1 ELD class to get help with those english learners and it is going awesome.

7. Motion to Adjourn

Jacoy made a motion to adjourn and Justin second it. The meeting ended.
