Old business

(Stephen Pleasants)

Lodge calendar dates we had the conclave patch approval we decided on changing the Fastpass border color to a crow tan blue we approved new ceremonies clothing which in my opinion looked very good last night and we also discussed and decide to reach out to our local tribes to continue to have a AIA in proton moving on to new business there is but one thing

New business

Patch Switch

Switch from A+B to sunshine patches. We need to change it around.

Chronicles all right so with that being shown and said I would like to make a motion to allow for the redesign of the current Fastpass to the one shown on the piece of crumpled up notebook paper in order to switch from A&B to Sunshine to sort out any logistical issues with our patch vendors all right listen is there.

EDDIE K.

Will the deer stay green because the deer looks green.

DAVIS C.

On the paperwork there are limited crayon colors because we have too many marines

DAVIS C.

The colors will change with the border color. It is just a concept and the colors will change

STEPHEN P.

The fast pass design you so we can switch from A and B to Sunshine all in favor please say i. All oppose
