### **Evidence of Learning**

1. List at least 3 topics we covered in this course that you feel very confident about.
2. List any topics we covered in this course that you feel you have not yet been successful with.
3. What did you learn that was NOT about the coursework during our time together?

### **Reflection**

1. Think about the goal you set for yourself on the first day of this course. Have you achieved your goal? How do you feel about your efforts and your progress in this course? Explain.
2. If you don't feel that you achieved your goal, what are some things that you will do differently in the future in order to set your self up for more success?
