

COMMISSIONS TERMS OF SERVICE

IMPORTANT

**I, as the author, have the right to decline service to any customer for any reason.
By submitting a request for a commissioned work, you are agreeing to these terms.**

Terms of Service:

1. I can only accept payments using Paypal.
 - a. The payment will be collected in two stages; an initial deposit, which will be refundable until approval of the second draft, and the final payment, which must be received prior to sending the final piece. During the final stages of writing (i.e. after the second draft has been approved), the option to request a refund is no longer available.
 - i. The final payment **must** be received via PayPal prior to receiving the completed work. There are no exceptions.
 - b. Filing disputes/chargebacks will result in blocking and blacklisting.
 - c. I do not/will not accept cryptocurrency, NSFW photographs/content, or physical items as payment.
2. In the event of my own personal emergency, I have the right to cancel the commission at any point in the writing process; a full refund will be issued at that time, regardless of which stage of the commission the work is currently at.
3. I retain the right to all commissioned works. Do not claim it as your own, submit it for publication, or similar.
4. At any time after the First Draft stage, you can request to see the WIP (Work-in-Progress). If this is something you would like, please let me know via the preferred contact method. Otherwise, by default, I will keep the work private until it is completed.

- a. During the initial phase, we will discuss characters, plot, and specific details you would like included in your piece. After this, I will start working on the first draft.
 - b. During the 'First Draft' phase, you will receive an update regarding the writing of the characters, the plot, and the work as a whole; any changes can be made at this time. You can also request to see the first draft at this time if you would like.
 - c. During the 'Second Draft' phase, you will receive a more concise update regarding the commissioned work, and we can refine the plot if needed. Changes can still be made during this phase, as well. You can also request to see the second draft at this time if you would like. After this draft has been approved, there are no refunds on the initial deposit.
 - d. At the 'Final Draft' phase, a final update will be sent regarding the commissioned work. Only minor changes may be made at this time, and I have the right to refuse any changes at this point in the writing process. If the draft is approved, the final payment must be sent via PayPal. Once the payment has been received, you will receive the commission via (email? AO3 link? Tumblr?)
5. I do not/will not imitate the style of other authors for any reason.
6. My terms of service may change at any time and without any warning. It is your responsibility to stay up to date on these terms.
7. I can be reached on both Tumblr and Discord if you need to contact me.
 - a. I will use Tumblr as the default form of contact, but if this does not work for you, please let me know as soon as possible and I will send my Discord username to communicate that way instead.
8. I am currently unemployed so I have plenty of time to complete commissions; however, if I secure a job, the rate at which I am able to complete commissions may become longer. I will notify you if this is the case and update as necessary.
 - a. You will also be given the option to cancel the commission at this time. (Refund is not guaranteed depending on which stage of writing I am at. See terms above for more information.)

PRICING:

There are **5 options** for word count. The listed price is a flat fee, and there are no additional fees for changes that are made at any time. Changes made during the final draft phase must be minor and will not require additional payment.

WORD COUNT	PRICE
100	\$20 USD
500	\$40 USD
1000	\$75 USD
3000	\$120 USD
5000	\$200 USD

I do not accept requests for pieces over 5000 words at this time. This may change in the future, and the table will be edited to reflect the pricing if that is the case.

The exact length of the fanfic may not be the exact word count that was requested, but the word count will always be over the requested word count if that is the case. (For example: if you are requesting a 500 word fanfic, the piece may be slightly over 500 words, but will never be 499 words.)

I will try to stay as close as possible to the requested word count; if there is something discussed during the second draft phase that cannot be cut that causes the fanfic to be longer than the requested word count, exceptions may be made during this time. I also have the right to refuse any changes during this time as stated in the terms of service. If you feel the changes to the commissioned work are necessary and must be kept, we can discuss increasing the word count, and therefore the price, at that time.

CONTENT:

I only write works for fandoms I am familiar with/comfortable writing for. Below is a list of fandoms I am part of or have written for in the past.

If there is a fandom **not listed below** that you would like me to write for, feel free to reach out and see if it is something I am willing to write.*

* I am still able to refuse any request for fandoms outside this list that I am not familiar with as I would rather you reach out to an author that is more well-versed in that fandom. Thanks in advance for your understanding.

FANDOM LIST :

Game Grumps	Ninja Sex Party
Starbomb	TWRP
Gravity Falls	Steven Universe
Starkid	Smosh
Twilight	The Gone Series (books by Michael Grant)
South Park	Marvel Cinematic Universe
Avatar: The Last Airbender	The Legend of Korra

1. In your submission for a request, please let me know if there is a specific way you would like the characters to be written. (i.e. headcanons, references to other works, etc.)
2. I can write self-insert fics for any of the fandoms listed above in first or third person.
3. I *can* write for OC's if there is ample information about said OC, but if the request is too complicated, I may refuse.

4. I am accepting 18+ NSFW requests at this time; however, if there is a specific kink that I am not comfortable writing for, I may refuse the request. Some things I will not be writing are:
 - i. ABDL
 - ii. R*pe/CNC
 - iii. Physical/Mental Torture
 - iv. Incest/Self-Ship
 - v. Anything involving minors in a sexual situation
5. I **will not** write pieces including any form of bigotry, hate, or targeted harassment. There are no exceptions to this rule.

If these terms are acceptable to you, please submit your request according to the instructions in the [Tumblr post](#).
