SMART Goals for 2025-26

1. Send in-person representation to New and Beginning, DeVal, and/or PSU (AEE 100) to discuss PAAE student membership and the benefits of PAAE membership.
2. Develop stronger connections with DeVal Ag Ed to discuss PAAE student membership and the benefits of PAAE membership.
3. Develop a one-pager about the organization that is targeted to administrators (why your teacher should join and the school should pay dues/for the conference)
4. Collaborate with regional VPs to suggest social gatherings, professional development, and incentives for mid/late career teachers

Action Items for 2025-26:

Item	Point Person	Deadline
- Continue recognizing award nominees and winners with Facebook posts and letters to administrators		
- Double-check mentor award application for questions about SAE and Ag Program that may not relate	Nicole and Dylan	

- Make contact with the professor(s) at DelVal and determine a time to meet with DelVal Ag Ed students	Chloe Whitmoyer	
- Continue offering the administrator option for the conference and possibly offering a Zoom option for those who cannot attend in person		
- Develop a one-pager about the organization that is targeted to administrators (why your teacher should join and the school should pay dues/for the conference) - Teachers get 15-17 Act 48 credits/summer conference (included in conference registration, cost savings!)	Amanda Gagne, Cheyanne Bastian-Brown, Dylan Clark, and Nicole Hall	
- Offer posts on social media or thank you cards for mid-late career teachers to support retention efforts - Link for former students to send thank yous / life updates (Sunshine Committee Collab?)
