*\*Note: When you fill in your ballot request form, be aware that selecting "I intend to return" rather than "my return is uncertain" may contribute towards establishing yourself as a tax resident in your voting state. Because the legal requirements to establish "residence" or "domicile" for tax purposes are determined by state law and the specific facts of your life, before you note that you intend to return on your form you may consider seeking advice on these matters from your tax professional.*
