

2024 SUMMER SCHOOL INFORMATION

This year, there are three summer school options available for students, but these programs vary on eligibility, course offerings, cost, approach, etc. More information about the differences in summer school options is detailed in the chart below.

- QOHS is offering local summer school for Credit Recovery only for certain courses needed for graduation.
- MCPS is offering Regional Summer School and Central Summer School for any MCPS high school student in need of replacing or taking original credit for graduation required courses . Course availability varies so please check the Regional and Central Summer School Program websites listed at the bottom of the chart below for more information.

Important Next Steps:

- Please either send your student to see their assigned counselor, or reach out to your student's counselor to request your student be enrolled.
- Course requests will be approved by each student's counselor to ensure proper course enrollment in the appropriate summer school program.
- View counselor contact information here: <https://tinyurl.com/QOocounselors>
