Sylmar Charter High School - Athletic Clearance Packet

PAPERWORK IS TURNED IN DIRECTLY TO THE COACH. After the coach reviews the packet it is given to the Athletic Director to be "cleared". Once the AD "clears" an athlete they may practice/play with a SCHS sports team. The school nurse only reviews the athletic physical and cannot clear a student-athlete. Your packet is reviewed for completeness and will be returned if it is missing a signature or other items. Do not give the athletic packet to the Athletic Director. Rosters of cleared athletes are provided to coaches by the AD.
