

## **Privacy Policy**

Thank you for choosing to use our NoSave Android app. This privacy policy describes the types of information we may collect from you or that you may provide when you use our app, and how we use and protect that information.

## **Information We Collect and How We Use It**

We do not collect any personal information from you when you use our app to send WhatsApp messages without saving the number in your contact list. We do not store any message or contact information on our servers. We simply provide an interface that allows you to send a message directly to a phone number via the WhatsApp application on your device. The information you provide is sent directly to WhatsApp and is subject to WhatsApp's own privacy policy.

## **Country Code Support**

Our app supports all country codes to make it easier for users to send WhatsApp messages to contacts in any country. However, we do not collect or store any information about the country or location of the contacts you send messages to.

## **Affiliation Disclaimer**

Our app is not affiliated with WhatsApp or any other company. We are an independent developer and our app simply provides an interface to help users send WhatsApp messages without saving the number in their contact list. We do not collect any personal information or data from your device, and we do not have access to your WhatsApp account or any of its content.

## **Data Security**

We take the security of your data seriously and have implemented measures to protect it. We use industry-standard encryption and security protocols to protect the data transmitted between our app and WhatsApp. However, please note that no method of

transmission over the Internet or electronic storage is 100% secure and we cannot guarantee absolute security.

### **Changes to Privacy Policy**

We may update this privacy policy from time to time to reflect changes in our practices or legal requirements. We encourage you to review this policy periodically to stay informed about our practices.

### **Third-Party Websites**

Funtik may contain links to other websites. We are not responsible for the privacy practices of such other websites. We encourage our users to be aware when they leave our app and to read the privacy statements of each and every website that collects personally identifiable information. This privacy statement applies solely to information collected by Funtik.

The app does use third-party services that may collect information used to identify you.
