

# **HRC Patient Liaisons**

**Description:** Founded in 1994 and staffed by Saint Louis University Physicians, Physician Assistants, Nurse Practitioners, and Medical Students, the Saint Louis University Health Resource Center provides free health care services in an academic environment. Services provided include: physicals, TB tests, vision screenings, pregnancy tests, STD screenings, HIV tests, labs, flu vaccines, social services, insurance counseling, and dental screenings. Clinics offered include: asthma, allergy, cardiology, diabetes, foot health, geriatric assessment, physical therapy, primary care, psychiatry, smoking cessation, sight, well woman, and the Wellness Holistic Initiative in St. Louis (WHISTLe).

**Address:** 1408 N. Kingshighway Blvd., Suite 213. St. Louis, Missouri 63113.

**Phone Number:** 314-389-0008

**Email Address:** [hrc@slu.edu](mailto:hrc@slu.edu)

**Website:** <https://www.slu.edu/medicine/clinics-community/hrc/>

## **COVID:**

- **Taking volunteers? Yes, they are currently looking for volunteers. Email them to receive the application**
- **If yes? COVID Policies? General COVID policies**

**Transportation:** From SLU, the estimated travel time is 10 minutes via private vehicle, and 20 minutes via bicycle. Public transportation is available.

**Mission Statement:** The opening paragraph states, "Since 1994, Saint Louis University School of Medicine students and physicians have been committed to providing free health care services in an academic environment." The SLUSOM mission statement is, "The mission of the Saint Louis University School of Medicine is the pursuit of excellence in education, research, clinical care, and community engagement through professional development, collaboration and social justice."

**Service Opportunities:** Student volunteers will assist Medical Students and healthcare providers in providing information to patients, keeping patients comfortable, performing

exams and procedures, and other functions of the clinic. Please note that WHISTLe is listed as a separate opportunity through AED; if interested, there is more information on the AED service site and Sonia Jolly is the member to contact.

**Days/Times:** Varies depending on which clinic you are interested in.

**Volunteer Pre-Requisites:** Application and training session.
