

Wasilla Youth Soccer Association Valley Revolution Parent Code of Conduct

Purpose:

This Code of Conduct sets the standard for ethical and responsible behavior for all parents within the club. The goal is to promote a safe, positive, and respectful environment for all participants.

As a parent or guardian of a Valley Revolution player, I commit to the following principles to support a positive and respectful environment for all involved:

- **Representation and Sportsmanship:**

I recognize that my actions, both on and off the field, reflect on Valley Revolution (a travel program of Wasilla Youth Soccer Association). I will demonstrate good sportsmanship, proper behavior, and respect at all times. Unsportsmanlike conduct may result in suspension from club events.

- **Child's Attendance and Preparation:**

It is my responsibility to ensure my child arrives on time and is properly equipped for all practices, games, and events. I will inform coaches or team staff promptly if my child will be late or unable to attend.

- **Health and Safety:**

I will notify coaches of any health changes or concerns regarding my child to ensure their safety during activities.

- **Respectful Conduct:**

I will refrain from using threatening, abusive, or disrespectful language toward players, coaches, referees, spectators, or staff. Violations may result in suspension from the club and removal of my child from the team.

- **Respect for Officials:**
I will accept referee decisions without argument and will leave the field respectfully if asked. I support the team and game officials through positive behavior at all times.
- **Substance-Free Environment:**
Alcohol, drugs, smoking (including vapor devices), smokeless tobacco, and spitting products are strictly prohibited at all Valley Revolution events and venues. I will promote a healthy, positive image by refraining from tobacco use around players.
- **Animal Policy:**
Pets are not allowed on the field at any club or event premises, including practices, games, tournaments, and team functions. Referees have the authority to stop play for violations.
- **Communication and Concerns:**
If I have concerns about the team or coaching, I will address them privately and constructively with the appropriate coach or the Technical Director. I agree to avoid public or social media confrontations or negative remarks about the club, staff, or members.
- **Sideline Conduct:**
I will stay on the sidelines during games and avoid approaching players' benches unless explicitly directed by coaches or referees. I will wait for permission before engaging with affected players during injuries or other situations.
- **Coach and Player Management:**
I acknowledge the head coach is responsible for the actions of players, assistant coaches, and parents. Disruptive behavior on practice or game fields may lead to disciplinary action, including suspension or fines.
- **Respect for the Club and Intellectual Property:**
I will respect the club's assets, including logos and intellectual property, and will seek written permission for their use. I understand that any use is for personal, non-profit purposes unless otherwise authorized.

Failing to adhere to this Parent/Guardian Code of Conduct may result in disciplinary actions such as warnings, suspension from practices or games, or removal of the player from the program.
