The most embarrassing thing that could've happened at that moment.

I had finally worked up the courage to go to a party.

Dressed in my finest suit, I thought I had everything figured out.

But I missed the most crucial step...

The second I opened those doors I spotted a doll

This girl, black sparkly dress, beautiful straight blond hair, piercing blue eyes, smooth legs, and a nice set of big soft lips.

"Hey girl, I was wondering if you would want to go out with me"

As soon as I stuttered those words out of my mouth, she just stared.

eyes, wide open. eyebrows squinted in confusion. An expression as if she had just heard a tragedy

Perhaps she did...

Don't make the same mistake I did. "***Be the bigger man***"
