## Counting electronic titles in Analytics

## Chat Transcript

00:09:16 Ryer Banta - Centralia College: Hi all, I don't have a mic today, on computer w/o so I can be available to students as needed. Anyhow, I don't have any pressing needs or brilliant ideas on topics for today.

00:11:50 Lynn Robinson (BTC): Hello there,

00:12:28 Lynn Robinson (BTC): I can't read any of the text on the screen because it is so small. Can anything be done?

00:12:54 Elena & Julie - Skagit: You can do view options and fit to window - it's at the top of zoom

00:14:41 Lynn Robinson (BTC): Thanks Elena and Julie!

00:37:58 Elena & Julie - Skagit: Feeling like the problem child here. We are the cautionary tale...

00:39:11 Kirsti Thomas (Seattle): One of my colleagues pointed out today-- making mistakes only reinforces the learning process. I'm putting this on a t-shirt. :D

00:39:59 Lynn Robinson (BTC): We use it to remove the temp location of New Materials. Lynn BTC

00:40:22 Nina and Amy - Peninsula: We use it for putting items on display.

00:41:48 Lynn Robinson (BTC): We use the "restore" feature. Lynn

00:42:16 Elena & Julie - Skagit: We use restore, too

00:43:01 Lynn Robinson (BTC): We put the temp location of new materials in the item records and then "restore" to the original.

01:04:28 Ryer Banta - Centralia College: We just completed our accreditation visit. Our library got praise, so I'm sure you'll all come out great too

01:04:47 Kirsti Thomas (Seattle): Congratulations Centralia!

01:05:05 Amy Herman - Olympic: Nice!

01:05:06 Traci Taylor - BTC: Thank you everyone. :)

01:05:32 Amy Herman - Olympic:I'll be at the IPEDS session too :-)  
01:06:41 Amy Herman - Olympic:Thanks!
