I am not comfortable with my art being sold as NFTs

I don't accept crypto.

Cashapp only!! (\$Nearlydeadartist)

Things I will do:

Violence

Gore

Themes of addiction

Characters in slightly revealing outfits (Things like bathing suits or short skirts or crop tops)

Weapons

Antrhos

Nsfw

ANYTHING TO DO WITH CHILDREN IN RELATIONSHIPS WITH ADULTS

ANYTHING TO DO WITH PEOPLE DATING ANIMALS

Things to keep in mind:

I'm a minor!

I'm kinda new to this.

My art isn't the best but I'm improving and trying my best.

My backgrounds and detailing aren't the best.

My style changes often, from piece to piece even, but still keeps its core parts.

I will most likely not be the most professional. (I'm, again, a teenager-)

More than 3 characters, characters interacting with objects, and foreground elements will take negotiation as there are many factors that go into it.
