9.45

Independent 20 minute Maths task, linked to the live lesson:

If your child needs further support following the lesson here is the [video](#).

Today's lesson is a practical lesson and does not need to be recorded in books.

I Use counters or cubes to make each number.

- a) one more than 21
- b) one more than 34
- c) one less than 41
- d) one less than 30

If you don't have any counters or cubes you could use lego/ duplo pieces, pencils or even frozen peas.

Challenge Questions

Discuss your answers to these questions with an adult.

Always, Sometimes, Never...

When you find one more than a number, only the ones digit will change.

Convince me using some examples.

Use the clues to work out the number.

- I have a number with 3 tens.
- One less than my number makes the tens digit change.
- One more than my number has 1 one.

What is my number?

Can you make some clues to describe your secret number?

Break and a snack

For the rest of the morning:

Independent 20 minute Literacy task:

In this week's story the Jolley-Rogers were on dry land because they had to mend their pirate ship. Can you design a new pirate ship for them? Label your pirate ship or challenge yourself and write some sentences about your pirate ship design.

Independent work on reading / spellings / exercise / handwriting / further learning websites

Hubble class:

1:1 reading sessions with Emily / Lucy - sign up to a weekly slot by clicking [here](#).

Zoom link for 1:1 reading session: <https://us02web.zoom.us/j/86952203741?pwd=Z3JQZThwRFRRb3R3MzZaMUdsQ1ZQQT09>

Lunch

13.30

Live register, sharing work from the morning, explanation of Topic task.

Please join us in the Zoom calls by clicking on your class figure or the links next to it.
