A. ACTIVE MEMBERS

1. as defined by HVC Bylaws in **Article V**
-Members "are those who attended regularly the previous two semesters, completed all registration requirements and have attended a minimum of one parent training per semester."
2. It should be the goal of each family to achieve ACTIVE member status after two semesters of attendance. If any family has not achieved this after two semesters, the Parent Representative and Chairperson will be in contact with them to determine a way to help them gain active member status. If the family chooses to continue as an inactive member after two semesters, they will be under executive board review and may not be invited to re-enroll the following semester.

SAFETY TRAINING

As a Commonwealth, we take seriously the responsibility to care for and protect our children and youth. Therefore, we require that all mentors and other adults involved with our commonwealth complete a youth safety course before participation.

This is a quick and easy process. There are a couple of options available online for this training.

- The Boy Scouts of America Youth Protection training: <http://www.scouting.org/Training/YouthProtection.aspx>
- Protecting Children and Youth training from the Church of Jesus Christ of Latter-Day Saints <https://www.churchofjesuschrist.org/callings/church-safety-and-health/training-and-video-resources/youth-protection?lang=eng>.

All adult participants will need to submit proof of training to a member of the Executive Board before the beginning of their first semester of association.

CONDUCT OF A STATESMAN

Participants of Hurricane Valley Commonwealth are expected to exhibit qualities of a Statesman. These are not limited to but include the following.

DRESS STANDARDS

Immodest clothing is any clothing that is tight, sheer, or revealing in any other manner.

Participants should avoid short shorts and short skirts, shirts that do not cover the stomach, and clothing that does not cover the shoulders or is low-cut in the front or the back.

Participants should be neat and clean and avoid being extreme or inappropriately casual in clothing, hairstyle, and behavior.

These standards are for all participants during the Commonwealth day and during any Commonwealth activity.

RESPECTFUL LANGUAGE

Speak kindly and positively about others. Choose not to insult others or put them down, even in joking. Avoid gossip of any kind, and avoid speaking in anger. When you are tempted to say harsh or hurtful things, leave them unsaid.

Do not use profane, vulgar, or crude language or gestures, and do not tell jokes or stories about immoral actions.

RESPECT OTHERS PROPERTY, BELIEFS AND IDEAS

Statesmen and stateswomen always conduct themselves in a way that shows respect for themselves and others in their beliefs, ideas and person.

Inappropriate displays of affection are to be avoided. Personal space and boundaries are to be respected. Matters of concern will be brought to the attention of the parents as needed in this area. Ongoing matters of concern should be brought to the Parent Representative, who will bring them before the Board.

Individual behavior reflects on the Commonwealth and home school community as a whole. Attitudes, behaviors and actions should always be courteous and respectful.

COMMUNICATION

Communication between participants is vital to maintaining the integrity of the community. Solutions to problems and concerns that arise within the community should be resolved respectfully.

When misunderstandings take place within our community, calling one another out of concern and love for our children is the best way to resolve problems quickly. In times that mediation needs to take place, please follow these procedures:

- If you or your child have a concern with a Mentor, please call the Mentor about the concern.
- If you or your child have a concern with another participant, please call their parents. Communicate respectfully the concern to them and strive to resolve the issue together.
- If your concerns are not being resolved in a timely manner, please contact the parent representative with the concern and a possible solution.
- If needed, contact the Chairman and discuss presenting the issue at the next board meeting.

BEHAVIOR

As a participant of the Commonwealth, statesman-like behavior will be expected at all times. The Conduct of a Statesman is what every participant is striving to achieve (See Page 2). Each participant is responsible for his or her own actions and behavior. Parents are responsible for the instructing, guiding, and disciplining of their children at all times. Students are encouraged to learn to govern their behavior and build healthy relationships with their peers. It is expected that students will set good examples and conduct themselves in a way that will not embarrass, harm, or demean themselves, others, or property.

In the event that disciplinary action is required:

- A. For the first instance, a warning will be given.
- B. If there is a second instance, the child will be escorted to the parent or the parent will be asked to come sit with the child.
- C. If the issue persists, a meeting will occur between the parent and the parent representative (other involved parties may be invited as needed), and a plan will be

As Participants of Hurricane Valley Commonwealth, it is expected that each student will contribute to the cleanliness and care of the building and any other area visited during school time.
