

Special Education Board Update

February 24, 2022

- **Professional Development and Training**
 - I attended the PED Special Education Director Meeting Feb 9 &10 and the Board Meeting for NMCEL Affiliate NMCASE on February 9th.
 - February 10 –Special Services department met to review the material from the District Court case law updates for Special Education
- **Community Relations & Communication:** Building Community Connections and Relationships with agencies and providers in our county to ensure we have continuity for our students and families
 - We have continued to hold ongoing early child hood screenings in the community, at Charter, and Parkview.
- **Updating of Process and Procedures:**
 - We continue to refine internal procedures for conducting evaluations, to ensure we are collaborative and communicative throughout the process
 - We have completed reporting for 120 Day
