

Zarra zarra seham uthta hai dil ka mere
Agar ek kharonch bhi tujhko aaye
Chahun yahin teri saari pareshaniyan
Pehle mujhse hoke jaaye

Chahat hai itni jo keh na sakun
Tere bin main ab reh naa sakun
Tu saamne ho aur waqt tham jaaye
Zindagi meri bas yoon hi guzar jaaye

Ik baat hai jo main kehne se darta hun
Main khudse jyada teri fikr karta hun
Main khudse jyada teri fikr karta hun
Kese kahun tumse pyaar karta hun
Main khudse jyada teri fikar karta hun

Palkein tumhari jo nam ho jaaye
Saansein meri uss pal ko tham jaaye
Dhadkanein mere dil ki dugni ho jaaye
Dhundhe wajah kese tu muskuraye

Tere bina naa hai jeena gawara
Tu na mile to ho jaaun aawara
Rab se pehle bhi main tera darza rakhta hun

Main khudse jyada teri fikr karta hun
Main khudse jyada teri fikr karta hun
Kaise kahun tumse pyaar karta hun
Main khudse jyada teri fikar karta hun
