Principal Updates Budget and Staffing New Business		Dr. Page Julie Gooden	E-DCSD dual enrollment will no longer allowed in the school year 2022/2023 Next year enrollment as of today is 1,535, estimated was 1,540. Still expect to add foreign exchange students (usually 7). As of last Thursday, 200 teacher openings. Historically number would 50. 206 employees displaced. Usually ½ of displacements can fill openings. HRHS has zero displacements. HRHS will be hiring a science teacher for AP Physics. Currently, HRHS is 1 English down (expected and planned for), and will be hiring 1 other math teacher. ISS will be growing by 1 FTE teacher, as well as 1 FTE for SSN. Athletic director has decided to move to a school in another district, so a replacement will need to be hired. District is open with helping with emergency licensure to help with staffing issues if need be. $73,000 spent out of this year's school budget for subs with 1 full quarter left to go, prior years have been $60-65k in part due to increase of sub pay. Next year subs will be paid from District, not to come out of school's budget. Budget looks good. $95k over for emergencies/extras. District will not approve seniors to come back for 2nd year of Cosmetology, as we had hoped they would allow. Hope for that to occur in future years.
Open Forum-Other/Future Business	10 minutes	All Sara Weidner	Teacher Appreciation Next month discuss Branding our Feeder, including inviting/visiting feeder SACs. Motion to adjourn @ 7:37.
