Speed Events Rules & Descriptions

Class 540

CLOVERLEAF BARRELS

- There is a running start of 30 feet from the start line to the first barrel. The distance between the three (3) barrels is 75 feet. Riders may start on either the right or left barrel, but when starting on the right barrel there will be one right turn and then two left turns and vice versa when starting on the left barrel. After completing the turn around the third barrel, riders must pass between the first and second barrel as they ride to the finish line.

Rider will be disqualified for:

- Breaking the pattern
- Crossing the start/finish line before finishing the pattern
- Five (5) second penalty will be added to time for every barrel knocked over
- More than three turns

Class 541

POLE BENDING

- The distance from the starting line to the first pole and between poles will be twenty-one (21) feet. The rider crosses the start/finish line and starts the pattern on the side of the rider's choosing, rides down alongside the poles and upon reaching the sixth or far end pole turns around that pole. The rider weaves/bends back through all the poles toward the first pole (nearest the start line). Upon reaching the first pole, the rider turns around this pole and weaves/bends back, upon reaching the sixth or far end pole, the rider turns around this pole and rides back alongside the poles to cross the start/finish line. A five (5) second penalty shall be added for each pole that is knocked over

Rider will be disqualified for:

- Crossing back over the starting line before the run is complete.
- Breaking the pattern.
- If a pole is knocked down and the rider does not follow the weave/bend pattern around the original base position of the fallen pole, it is considered a broken pattern.

Class 542

FLAG RACE

- Two barrels will be placed 100 feet apart, if arena permits, and 100 feet from the start/finish line. Two buckets of equal size filled with dirt will be placed on top of each barrel. The rider starts with a flag in one hand and deposits it into the first bucket, proceeds to the second bucket removing the flag and riding to the finish line. Patterns may be run starting to the right or left.

Rider will be disqualified for:

- A flag does not remain in the bucket.
- The rider misses the flag.
- The rider drops the flag;
- The rider circles the barrel.
- Knocking over the bucket and/or barrel.
- Hitting the horse with the flag

Class 543

PLUG RACE

Race Rules

- Plug Race Pattern will be set to fit the arena, with one barrel used to run at. Barrels may not be closer than 15' from any fence. Riders may run left or right. Horse/pony must go around the barrel. Riders may touch the barrel in an attempt to prevent it from falling over. Barrels must stay in the same place for the entire class, or the entire class must be rerun, including original no times. Disqualifications: Contestant is disqualified for knocking barrel over, breaking pattern or separation of rider and horse/pony during the timing period.

Rider will be disqualified for:

- Knocking barrel over
- Breaking pattern or
- Separation of rider and horse/pony during the timing period
