SL 1: A simple \$100 trick

SL 2: easiest \$100 money

Hi %FIRSTNAME%,

I made a bet with 20 of my clients last week.

The bet is simple:

I bet \$50 with each one of them... and they need to try this [BRAND NEW wealth manifestation secret](#).

According to a high-level leaked report (which you can see its summary [on this page's short video](#))...

This "tiny thing" in your brain, when activated, allows you to effortlessly call in the wealth you so rightfully deserve...

...so you can quit running the financial hamster wheel...

Those 20 clients were skeptical initially.

So I made a \$50 bet with each one of them...

If within 7 days they don't manifest at least \$50... then they win.

I'd need to give them \$50 for wasting their time.

From 16 people who took the best, 15 of them actually manifested at least \$100 each.

That's 2X the sum of what we agreed on!

(Psst... 3 of them actually manifested close to \$500)

Hi %FIRSTNAME%,

This is BIG... and it's the LATEST RELEASE of this year.

You see...

Wealth attraction has proven controversial at best over the years.

BUT this year and moving forward, wealth manifestation is based on science.

Now, scientists and neuropsychologists are speaking out.

Just 3 weeks ago they said if it weren't for the cult-like approach of big self-help companies...

..."we would be 10 or 15 years ahead of where we are now in terms of wealth and abundance!"

And another scientist said people have "needlessly suffered from poverty and scarcity."

A few close friends and I have had enough and are revealing everything we know from this LATEST release.

Hi %FIRSTNAME%,

Scientists and neuropsychologists made a SHOCKING manifestation discovery just 3 weeks ago...

And it could change the course of money attraction forever.

Yes, you heard me right.

Not some fancy self-help gurus with flashy items... scientists and neuropsychologists!

But their discovery was quickly hushed.

A few close friends and I managed to grab the complete study and piece them all together.

Once the word gets out, big self-help companies will be circling like hungry sharks to shut down this breakthrough...

If you want to know this study and the truth...
