

SL : The unrealizable MISTAKE that 90% of TRW copywriters make

If you really want to know how to land your first client, then you have to focus on things that aren't sending out nonsense emails.

Spamming people's boxes with your 40 emails a day will NOT get you a client.

Instead, you can try out the HIDDEN strategy that has helped over 1000 students reach 10k a month in less than a month.

And no, it's not torturing yourself to come up with the golden outreach that converts.

I just took away all your excuses.

If you are URGENT about getting rich while you still can.

Then you will ACT because 2023 is the easiest year to get rich.
