

NIHR ARC Northwest London Improvement Leader Fellowship 2024

Application Form

Explanatory notes

We welcome applications from all health and social care sectors, organisations and individuals including members of the public, patients and carers who have an interest in healthcare improvement for the benefit of patients and populations.

We aim to be inclusive in the way we work so please provide as much information as you are able, which reflects your experience and circumstances.

Please refer to the [guidance notes](#) for more information.

1. ABOUT YOU

1.2 Interest in the programme

Please provide a brief statement explaining what you hope to gain from joining the Fellowship programme and what you will bring (maximum 400 words).

--

1.2.1 Your project

Please provide a brief description of what improvement you intend to address in your 12 months of Fellowship and how this potential project aligns with your organisation's priorities, or if you are not in an organisation how it will align with current priorities in your area/setting (maximum 300 words).

1.3 Context

Tell us about your experience of healthcare improvement or your ideas for how healthcare can be improved (whether as an individual or as part of an organisation) (maximum 500 words).

We invite you to fill in this next section if you plan to form a duo or trio (please see guidance notes for further information on duos and trios).

1.3.1 If you are part of a Fellow **duo** or **trio**, who will work on the same project, please state the names of your colleague(s) in the trio/duo and the nature of your organisational project including what organisational priorities it addresses (please see guidance notes for more information on duos/trios).

Duo and trios can be collaborations across organisations as well as within organisations.

Please note, each member of the duo/trio should fill out their own application form, even if this section is the same for each.

1.4 Challenges

What do you consider to be the major challenges to healthcare improvement in your area of interest? (maximum 200 words)

1.5 Impact of the Fellowship

How do you plan to build on your Fellowship experience and what impact would you like to see for yourself, for patients and for the local and wider sector in the next 5 to 10 years? (maximum 200 words)

1.6 Outputs from the Fellowship

Please give a brief outline of the outputs you would like to see from your Fellowship, this does not have to be in detail but should be an outline of the benefits to yourself, your organisation, and your development (e.g., publication(s), conference presentation, internal report, service improvement, education package developed etc.; maximum 300 words)
