

Lucas PTO Meeting Minutes

March 7, 2022 at 7:00 p.m.

Zoom Meeting

Attendees

Aprille Clark

Tara Martin

Bella Jorgensen

Tara Hoadley

Katherine Gonzales

Michael Tilley

Mike Groff

Kathy Jenkins

Meeting minutes – motion to approve and seconded.

Fundraising - Bella Jorgensen - Jimmy Jack's \$150 from that dine out. Papa Murphy's was complicated – only raised \$73 but it was difficult to communicate with them. Two Dogs is this month and next month is The Vue. \$1,288 total year to date.

Treasurer's Report - Tara Hoadley - \$53.19 from Amazon Smile. Aprille will reach out to Café on the Go about buying drinks for teacher appreciation. Kathie suggested a limited time frame and limited choices for simplicity. Approximately 40 full time staff will need to provide that for. Outside social budget is approx. \$200. \$400 for last day lunch for the teachers.

President's Report – Michael Tilley - DPO next Wednesday will be regarding updates to the discipline manual. We are seeking officers for 2022-2023; Secretary will be needed and we'll need to fulfill additional roles that we've had in the past. We can look at a combination of zoom and in person meetings for next year. April 23rd 11-2:30 pm spot is reserved for social event at Mercer Park – Michael will purchase hot dogs, buns and bottled water.

FMP plan approved – 6-8 grade model for Junior High/Middle School. The buildings will be remodeled starting 2024-2025. Kathie Gonzales brought up the FMP – expressed frustration with the lack of improvement at Lucas for a bigger gym and cafeteria. Discussed ways to advocate for Lucas in that way. Several parents expressed frustration with receiving help from the district.

Principal's Report – Dr. Jenkins - Spring Fling Week – days of celebration. ISASP after Spring Break; 4/21 is Kindergarten Round Up. Dr. Jenkins will have more information later this week about updating the safety plan which includes the possibility of the approval of in-person events at school. Dr. Jenkins indicated that most students are still wearing facemasks and the staff are encouraged to wear them as well. Parents appreciated the great leadership from the school in that regard. We hope that Ben Grimm will have an update for the next meeting. We are still ok for snow days, but no more after our snow day today or we'll be extending the end of the school year.

Next PTO meeting is 4/11/22.
