🌻 : Tsumugi, my head is starting to feel heavy. You're not mistaking me for a flower vase right now right?

🌱 : Whenever I'm with you I wished these flower fields would be endless so we could have more time together.

🌻 : I've always wondered why you're still here even when I don't give back enough.

🌱 : I'm not here for what you can give, I'm simply here because I love you.

🌻 : D... DON'T TELL PEOPLE THAT!

🌱 : Do you know that one time, Tasuku accidentally fell on a puddle when we were kids?

🌻 : Uhm.. are you sure you're allowed to tell me this?

🌻 : Tsumugi, we have a big problem.

🌱 : *puts his trowel down and looks at Vien with worry* What is it?

🌻 : *slowly raises an empty egg tray*

🌱 : ...I'll go get the car, you get the shopping bag

🌱 : Hello, Vien?

🌻 : Oh, I'd to consult you about something...

🌻 : Uhm... Tsumugi, this is a video call. Your ear looks pretty but I would like to see you.

🌱 : *gulps*

🌻 : *puts a box of 1000 pieces garden jigsaw puzzle on the table* Let's do this!

🌱 : Yes ma'am!

🌻 : Ah, you didn't have to pick me up... you must be tired from your rehearsals too. I basically close the studio these days because of preparations for our upcoming performance.

🌱 : It's okay, I'll feel more restless if I can't be sure that you went home safely.

🌱 : Grow big and—

🌻 : and strong, little ones!

🌱 : Ah! It's you Vien...

🌻 : Haha, you don't always hear me enter.

🌻 : The sight of these flowers is truly amazing but ever since I met you, the fact that I can spend time with you is what I started to look forward to the most in these trips.

🌱 : When all you can think of is reasons to hate yourself, you can always come to me and I'll tell you all the reasons why I love you.

🌻 : Gentle sunlight passing through the windows, leaves slowly dancing to tune of the wind, the two of us enjoying coffee before this morning scenery... whenever I'm with you, everything feels like a movie scene that I would never want to forget.

🌻 : Whenever I'm with you I feel sure with the things I want to do, I can laugh freely and not hear voices inside my head. I've never met someone as patient and understanding as you and it pains me when we have to part. Tsumugi-san... I love you, I'm sorry for making you wait...

🌱 : I think the white epiphyllum flowers that I've been growing will bloom tonight. Would you like to view them with me?

🌱 : Ch...Children? ...w-well if she wants to.... but I'm not going to force her.

🌻 : Ch...ch... ch-children?? A-ah I don't think I'm prepared for this conversation— Tsumugi said it's up to me? W-well I'm not really against the idea...

🍷 : Vien, Tsumugi says he has a gift for you.

🌻 : O-oh... really?

🌱 : I... I do?

🍷 : *puts a ribbon headband on Tsumugi's head* Fufu, he's the gift.

🌱 : ...Eh?

🌻 : My co-workers let me try a game called Tears of Themis the other day. There's a character named Artem Wing and I think he's very cool!

🌱 : Tasuku, do you want to do street acts later?

⚽ : Sure, I'm free this afternoon.

🌱 : Good, then let's act as attorneys.

🌱 : Something I fear the most? ...It's when she's in pain and I can't do anything, much worse if I don't know about it. She puts a tight lid on her feelings because she is so convinced that she's only bothering people.

🌻 : I put my brother's old dugtrio figure into one of the flower pots. Haha, I wonder if Tsumugi will notice it.

🌻 : If you and Dr. Vyn Richter met in real life, who do you think would win in rock paper scissors?

🌱 : My skills are nothing compared to his but I honestly want to meet him and attend one of his classes. It would be a great opportunity to recall what I learned in university.

🌱 : I don't know why Vien keeps mumbling 'please come home' while holding her phone...

🦊 : Holding a phone, you say? She must be playing our game.

🎮 : Yup, and Tsumugi you're screwed if you don't "come home" in the next 3 10-pulls.

🌱 : E-ehh? What will happen?

🍷 : Hm? Vien you're borrowing this DVD again? I thought you already watched this movie with Tsumugi.

🌻 : Ah...ahaha. I want to watch it again because Tsumugi kept on pausing and practicing the parts that could help him in his role. I didn't have the heart to stop him...

Both : OUUUAGH??!?

🌱 : Wait, why did you get startled too?

🌻 : I... I don't know...

🌱 : Do you have free time next week? They say that the spring flowers have started to bloom in Hokkaido and I was wondering if you want to go garden hopping with me again.

🌻 : I would love to!

🌻 : Millions of nemophila are at full bloom in this park? They look so breathtaking. If I stood in the middle, my presence would probably get swallowed by their beauty.

🌱 : ...I doubt that, you're the most beautiful flower in my eyes.

🌱 : *sighs*

⚽ : ...

🌱 : *sighs*

⚽ : Tsk. Why do you keep sighing?

🌱 : I brought Zabi home two days ago because grandma is busy, Vien keeps playing with Zabi...

⚽ : ...

🌻 : I just think she doesn't need me now...

⚽ : You're out of your mind, I'm calling Hoshimiya.

🌱 : B...banger tweet oomf! How about that?

🌻 : *flips notes* Wait, what does "banger" mean again?

🌱 : We'll have to ask Kazu-kun again once he comes back.

🌱 : What do you call a scared egg?

🌻 : What?

🌱 : Terri-fried!V-vien why are you smiling like that? I'm scared...

🌻 : Why don't eggs tell jokes?

🌱 : ...Because they can't speak?

🌻 : Because... pfft... they crack up too easily.

🌱 : Sasa lele!

🌻 : Ahaha, it's just two "sale" posters.

🌱 : I know, I just want to make you laugh.

🌱 : Do you want to go eat cold soba?

🌻 : Hmm, why don't we get hot soba for a change?

🌱 : ...

🌻 : ...

🌱 : ...You're right, let's get hot soba then!

🌻 : No, I change my mind, let's go with cold soba!

🐻 : They don't ever argue huh...

👉 : They're like angels!

🌻 : I made this paper bouquet with the help of the origami master, Taichi-kun. What do you think?

🌱 : They look lovely, just like you.

🌻 : *stares*

🌱 : ...

🌻 : Hmm...

🌱 : I-is there something on my face?

🌻 : Ametama...

🌱 : Ame...tama? o.o

🌻 : Citron is right, you really look like the pokemon, Ametama.

🌻 : Tsumugi, thank you for choosing me.

🌱 : No, that's not it. Thank you, for letting me choose you.

🌱 : You said I'm Ametama right? I think I finally found a pokemon for you.

🌻 : Oh, what is it?

🌱 : Pichu! The black and yellow color reminds me of you.

🌻 : Waa, they are really cute. I like it!

🌻 : Tsumu!

🌱 : !!! W-why a nickname all of a sudden?

🌻 : Why not? Even you call me Vien.

🌱 : It's because Vivienne is too long...

🌻 : So is Tsumugi, then let me call you Tsumu! (^▽^)/♪

🌻 : This is the last of my gems... !!!

🌱 : [hugs] I'm sorry, i'm sorry... did you wait long?

🌻 : [sniffles] N-no...

🌱 : ...I'm home.

🌻 : ...Welcome home.

🌱 : [pokes] I.. it's not alive anymore?

🌻 : [pokes] Ah, why do I feel bad for eating this... m-maybe I really shouldn't...

🌱 : I made this soup, what do you think?

🌻 : Tsumugi...

🌱 : Hm?

🌻 : A...are you sure this is edible...

Student : Take care, Teacher!

🌱 : Okay, make sure to study for exam-- *phone rings*

🌱 : Vien? Ah, yes I just finished tutoring.

Student : !!... Teacher's pretty girlfriend hello!

🌻 : P.. p..pretty gi..girlfeidn! Euhuhuhah hi!

🌱 : Ahaha, she is weak to compliments.

🌱 : *drops spoon*

🌻 : What's the matter, Tsumugi-kun?

🌱 : I... think I did something wrong...

🎮 : Oh right, I heard Hoshimiya-san is going to pull for your anniversary card, Tsumugi.

🌻 : Me, loving someone else? It never crossed my mind. You loved me at my lowest and made me whole again. Ever since I understood what my feelings meant, I have decided to build my dreams and future around you. I'm stuck with you forever! I-if it's okay with you haha...

🌱 : Stay right there, I'll take a picture of you... hm?

🌻 : What's wrong?

🌱 : I think the camera is broken.

🌻 : Really? Let me chec--

🌱 : I think it couldn't handle your pretty face...

🌻 : ...Tsumugi.

🌱 : ...Kazu-kun taught me that, I'm sorry.

🌱 : Eh? You should've told me you can't eat spicy food... here, have some water. You don't have to force yourself, why don't we order something you like? I'm fine with anything!

🌱 : Wait, Vien the food is still ho--

🌻 : HAFSSFSFAFSFAFAFAFSSAFA

🌻 : I heard you laugh!

🌱 : Hm? I smell something burning.

🌻 : Really? Wait, I'll check the ki--

🌱 : It's because you set my heart on fire.

🌱 : ...I found that on google I'm sorry.

🌻 : I went to a rug tufting workshop yesterday and made these fried egg coasters for us!

🌱 : Oh, they look cute!

🌻 : Right? Do you want to come with me next time? Let's make a rug for Zabi!

🌱 : Sure. I'd like to see things that make you happy... and I like seeing you happy.

🌱 : Go! Go! Vi-vi-enne!

🌻 : Haha, what's up with you today?

🌱 : Making sure you start the day with a smile— ah, how about I add a dance move? [starts dancing] Go! Go! Vi-vi-enne!

🌻 : Stop—ahaha, my stomach hurts!

🌻 : *camera clicks*

🌱 : ...

🌻 : *camera clicks*

🌱 : Uhm, aren't you taking too much pictures of me?

🌻 : You said it's a shame you don't have much college pictures because you're not good with technology, so I'll be in charge of preserving your memories from now on!

🌱 : ...Why don't WE take a picture?

🌻 : With me? Why?

🌱 : It's not just about me anymore, I also want to preserve our moments together.

🌻 : I'm bored...

🌱 : Do you want to go somewhere?

🌻 : Yes... actually no... I'm lazy...

🌱 : Ahaha, okay. Let's just do nothing together.

🌱 : I secretly visited your studio today but I got your schedule wrong. As soon as the teacher knew I was your b...b-boyfriend they gave me a free lesson. That was my most embarrassing experience...

🌻 : *stares at Tsumugi's ahoge*

🌱 : ...

🌻 : *thwacks ahoge*

🌱 : Ouch.

🌻 : !!... I'm so sorry!

🌱 : Vien, I know you like organizing things but my ahoge cannot be fixed no matter what.

🌱 : More than wanting to see your smiles, I wish to know how you truly feel. Vien, please depend on me. I'd hate to see you suffering alone.

🌻 : Tasuku-san told me Tsumugi is always in deep thought in the dorms these days and asked if we had a fight. We never really had a serious fight, we always decide on things together. I wonder what's bothering him— Ah! My birthday is next week...

🌻 : !!... What was that?

🌱 : I think the ferris wheel stopped.

🌻 : Ahaha... we're so high up that I'm starting to feel scared...

🌱 : Don't look down. Lean on me and close your eyes for a while.

🌻 : Whenever I ask Tsumugi what he wants to receive on his birthday, he would always say nothing in particular. I know he would like bouquets, but I'd like to add something different this year.

🌻 : Oh! This is the lucky choco bar, brings back memories.

🌱 : Why do we buy some and try our luck? Let's open it at the same time.

🌻 : !!... I won!

🌱 : Ahaha, I won too. Somehow, I have a feeling that good things will come to us.

🌻 : Hm? Tsumugi, this picture is—

🌱 : !! AHH- *snatches the photo*

🌻 : Ahaha, you should consider taking female roles someday, I think you'll do really well.

🌱 : I've always wanted to broaden my acting range, but hearing you say that made me feel more motivated to do my best.

🌻 : Tsumugi makes this anxious expression whenever he sees Zabi's face as food decoration, he tries not to show it but I know that he doesn't like it. Note to self : don't make Zabi snacks, mhm!

🌻 : Are these old scripts?

🌱 : Mhm, when me and Tasuku we're in the highschool drama club, we would practice lines here at our house.

🌻 : These are filled with notes. I can tell how passionate you are with acting even way back then.

📷 : Hm? Tsumugi-san, what are those?

🌱 : Oh, these are pictures I took of Vien. What do you think?

📷 : Uhm... I think they look great!

🌱 : Ahaha, you're being too nice.

📷 : I can teach you some tips! In exchange, can you take a look at my acting?

🌱 : !! Gladly.

🌻 : I always get dragged to Tsumugi's street acts whenever he sees other people doing it. I can't keep dragging him down with my bad acting... should I ask help from Skeleton?

🌻 : Hisoka-san, happy birthday! I made this lemon marshmallow meringue pie for you, I hope you like it-- ah, be careful eating you might choke! Ahaha, I guess he likes it...

🌱 : V-Vien you're looking at my new cards too much, I'm starting to feel embarrassed...

🌻 : Ehh, why? You look beautiful, see? Hehe, these pictures are so pretty!

🌱 : (Someone save me, she looks too adorable right now...)

🌻 : *pokes*

🌱 : ...

🌻 : *pokes twice*

🌱 : ...

🌻 : *pokes thrice*

🌱 : Vien, you know I can't tell you what I'll be wearing for my birthday card. Just one more day, okay?

🌻 : Aww... ;-;

🌱 : Vien keeps asking me about what I'll be wearing for my new birthday card, but I can't say it because Yuki-chan said to never tell anyone until the pictures gets released...

🌻 : Tsumugi, you're watering the plant too much!

🌱 : Ah!

🌻 : Your mind is wandering off, is something bothering you?

🌱 : Uhm... we'll be doing a photoshoot again for our new play.

🌻 : Wow, really? You've done this before, I know the photos will turn out nicely.

🌱 : Tasuku, I'm getting married.

🏠 : What? Oh- I almost forgot about Hoshimiya.

🌱 : Ahaha, it's not April Fools anymore. This one is real.

🏠 : Well, congratulations. Don't give Hoshimiya a hard time.

🌱 : How mean... of course, I'll be good to her.

🌻 : Something happened in the studio today.

🌱 : S-Spill the tea!

🌻 : What?

🌱 : What?

🌻 : Tsumugi, this brand of oolong tea is expensive. We should not waste precious tea...

🌱 : I-I mean tell me what happened! I heard the young ones using it, I'm sorry don't cry-

🌻 : *talks to a stranger* Hello, my husband just released a new song! Hehe, do you want to hear i--

🌱 : *puts her phone down* I'm really sorry. My wife is drunk.

🌱 : *jolts awake*

🌻 : Tsumugi? What's wrong?

🌱 : I... had a weird dream.

🌻 : I see, can you tell me about it?

🌱 : U-uhm, you named our first child as Keyword.

🌻 : E-eh? ...Is there a second one?

🌱 : Mhm, Cross Lines.

🌱 : Vien, this is the 40th time you've been listening to Cross Lines.

🌻 : *clicks play again*

🌱 : A-are you listening to me...

Both : *notices the mistletoe*

🌱 : !!

🌻 : !!

🌱 : ...Can I kiss you?

🌱 : Today we'll have seaweed tamagoyaki.

🌻 : Hmm, tomorrow?

🌱 : Cheese tamagoyaki.

🌻 : The next day?

🌱 : With salmon flakes.

🌻 : ...Next next day?

🌱 : Good question. How about adding beni shoga?

🌱 : I had a dream last night.

🌻 : Hm, what is it about?

🌱 : Well, I woke up in a hedge maze and a giant strawberry was chasing after me. When I reached a dead end, the Torment Doll appeared and said, "Turn to the right, I'll distract it!" So I did and after that I woke up.

🌻 : I have no reception, can I borrow your phone for a bit?

🌱 : Sure.

🌻 : Hm? 200 Date Ideas... The only list you'll need to find the perfect—

🌱 : Ah! *snatches the phone*

🌻 : Ahaha, how cute. Should we try #6 on the list?

🌻 : Guy-san, happy birthday. Thank you for teaching me how to make mulled wine last time. I tweaked the recipe a little bit, I'll bring you some when I visit so please let me know what you think!

🌱 : Hm? What's going on?

🍷 : Vien is trying the sundress Yuki made for her.

🐻 : Perfect timing. Take a look.

🌱 : ...

🌻 : ...W-what do you think?

🐻 : Hey, don't leave her hanging or she'll take it the wrong way.

🌱 : Ah, sorry! It's just that you look really beautiful.

First Impression: Vivienne > Tsumugi

🌻 : He looked very cool and reliable! Being invited to perform for another troupe means he has a lot of experience and great skills. I was very surprised to see that outside theater, he is very clumsy and timid. It's adorable!

First Impression: Tsumugi > Vivienne

🌱 : She is very shy, it's almost not normal. She won't talk to the group outside rehearsals. It's as if she just forced herself to be there. After knowing her story, I started to look up to her for being so passionate and not giving up.

🌻 : Dancing was all I've ever known, so things like romance are unfamiliar to me. It took a lot thinking and questioning. There was a point that he was all I could think of, he was my safe place, that's when I knew I need to I return his feelings.

🌱 : She is like one of those fairytale princesses that you'd fall for at first sight. She's actually a very fun and passionate person. I felt the happiest when I'm with her, that's when I confirmed my feelings.

🌻 : Thanks to Tsumugi-san, I became interested in gardening. If you're the garden boss, then I'm the garden intern!

🌱 : ...Garden Intern?

🌻 : Mhm. Garden Intern!

🌱 : In a car colored gray-

🌻 : In a car colored red!

🌱 : Pfft... in a car colored blue!

🌻 : In a car colored yellow!

🌱 : In a car colored orange!

🌻 : In a car colored purple!

*Context : TXT's LO\$ER=LO♡ER

🌻 : Lover with a \$ dollar sign *passes comb mic*

🌱 : !! ...Is a LO\$ER?

🌻 : Ahaha, this is so fun!

🌱 : (I'm glad she's having fun. I wonder if my voice is okay though...)

🌻 : I'm full of problems, love sick. No way to go~ *passes the comb mic*

🌱 : !!I-I was fine to die. I'm a loser in this game~

🌻 : Ahaha, we make a great team!

🌱 : Vien, I've been looking for you for 15 minutes. Where have you be--

🌻 : Tsumugi, look at the snow ducks I made!

🌱 : W-why are there so many snow ducks at the porch stairs?

🌻 : Aren't they cute? Do you want to make some?

🌱 : Honey, we need space to pass through.

🌱 : Vien, please stop making duck snowballs. It's cold outside.

🌻 : Hng, just one more!

🌱 : You also told me that on your 49th duck snowball!

🌻 : Oh really- wait, you're counting them?

🌱 : I wonder why the computer is so slow...

🌻 : !! ...Dear.

🌱 : Hm?

🌻 : How many browser tabs did you open?

🌱 : *sighs* I'm telling you I'm not a robot...

🌻 : Honey, who are you talking to?

🌱 : This website is asking me if I'm a robot. I already said I'm not, but it won't listen. I even showed my birth certificate, Should I call my mom—

🌻 : No, no it's okay. We can fix this.

📷 : Hm? Tsumugi-san, what are those?

🌱 : Oh, these are pictures I took of Vien. What do you think?

📷 : Uhm... I think they look great!

🌱 : Ahaha, you're being too nice.

📷 : I can teach you some tips! In exchange, can you take a look at my acting?

🌱 : !! Gladly.

🌱 : The kochia bushes would surely be a breathtaking sight again this autumn season. Maybe I should ask Hoshimiya-san to... A-ah! What am I saying?

🌱 : Vien sent boxes of cake pops to the dorm as a gift for the theater's fifth anniversary. There's a variety and space-themed designs! Kazu-kun and Juza-kun couldn't stop staring at them... for different reasons.

🌱 : Vien.

🌻 : Hm?

🌱 : I love you.

🌻 : I love you too honey, can you please take out the trash now?

🌱 : Ahaha, it didn't work.

🌱 : WA DA DA DA!

🌻 : !!!

🌱 : ...Zzz.

🌻 : Oh, he's sleep talking again.

🌻 : Happy Birthday, Azu-nee! Thank you for teaching so many things about skincare, it gave a huge boost in my confidence after my skin became healthier. I made these sake manju for you, why don't you give it a taste?

🌻 : Azuma-san ages like good Pu'erh tea.

🌱 : You know, most people would say "fine wine"

🌻 : I'm a tea person!

🌱 : Ahaha, I remember how shocked I was when the Tea Police slapped my hand as soon as I tried to store the tea canister near the coffee.

🌻 : No strong odors near the tea- hey, did you just call me Tea Police?

🌻 : Polaroid Love reminds me of you.

🌱 : Eh?

🌻 : Polaroid photos take time to develop, just like my feelings. It has no filter, therefore everything comes naturally. You can never create the same photo again, that's why it's precious. Tsumugi, you are my polaroid love.

✨ : Pancake looks really happy today.

🌱 : Ahaha, she said she wanted to drink like an adult. V-Vien? I'm sorry I didn't mean to scare you!

🌱 : Hm, what should we order?
🌻 : ...Oh! If I get bitten by the crocodile, we will order yaki udon.
🌻 : *presses one teeth*
🌻 : *crocodile bites hand* Okay, yaki udon!

Cashier : *scans tag of the whack a mole toy* This is really cute, are you buying it for your child?

🌱 : Himari, they are called hydrangea.
☀️ : No, flower pompoms!
🌱 : Ahaha, okay flower pompoms.

🌱 : Plumerias take a very long time to bloom and prefer warmer climates. Despite that, I will still diligently take care of this plant. The smile on her face as soon as she sees the flowers, makes everything worthwhile.

🌱 : It's done.
🌻 : Waa, the bouquet looks beautiful!
🌱 : The combination of anemones and white garden roses is very elegant.
🌻 : Adding dusty miller leaves, and berzillia berries also gave it a very winter look!

Vivienne loved to dance because it's one way where she can express herself without using words. She kept running away from it, however when she visited Veludo Way, the stage kept calling her back.

Vivienne catches him watching, he gets flustered and immediately forces himself to say some encouraging words. "Uhm, I'm sorry for intruding in your practice. I just want to say that you dance as if you paint on the floor... Ah! Am I making any sense..."?

Tsumugi sees Vivienne getting scolded for mistakes. He later finds her alone in the rehearsal hall practicing. For some reason, he saw his past self in her.

On that day Vivienne lost everything, she blamed herself for being useless, for not being able to save two things that were important to her.

Tsumugi lost confidence in himself and his abilities, so it seemed like he gave it up. Later when he returned to Veludo, he decided to give it another shot because in his heart he never fully abandoned it and wanted to act with his friend again.

The loud thunder led Vien to hide under thick blankets in fear. Tsumugi sits beside her and asks, "Do you need anything?" She shakes her head, an obvious lie. "...I've been practicing your favorite song lately, let me know what you think." Tsumugi then starts singing to her ears.

"...What do you think? It's my first time making one so I'm not sure if you'll like it.", Vien timidly asks while Tsumugi is staring at the felt doll on top of his palm. He notices that her hands are kept tightly behind her back. He lets out a soft sigh, "Let me see your wounds."

6am, Vivienne jolts awake at the smell of something burning and instinctively runs to the kitchen. She arrives at a messy table with a plate of burnt toasts in the middle. Her vision pans to Tsumugi, "I'm sorry, I just really wanted to try making breakfast for you..." he says.

Tsumugi wakes up earlier than usual and fondly stares at the person sleeping soundly beside him. He thought of planting a forehead kiss but when he got closer, Vivienne said, "Good morning, Tsumugi..." She kissed him and a flush of embarrassment rose to his cheeks.

They are having a late-night talk about Tsumugi's performance today. After a while, Vivienne notices that he has fallen asleep on her lap, "You must be very tired, I'm sorry for taking so much of your time." She tucks her hair behind her ear to kiss his forehead, "Good night."

Tsumugi discovers Vivienne has fallen asleep on the chair with an unfinished knitted scarf between her hands. "Winter is almost here; you'll get cold if you stay here for too long." He wraps her with a blanket and carries her to her room.

Vivienne has been feeling down ever since she couldn't get a plushie from the claw machine. Later at the studio, she is greeted by tons of them. She notices the smallest dog plushie with a note, "I asked Banri-kun for help but I only managed to get this little one on my own."

"I'm sorry, I can't be of any help...", Tsumugi says. "It's really okay, don't worry", Vivienne smiles as she shapes the cookie dough and puts them on a tray. Tsumugi notices a stray hair on her face and gently removes it, "...Then I'll just make sure that you can work comfortably."

Vivienne hurriedly runs to the gate, "Tsumugi, you forgot something!" A thought pops into Tsumugi's mind and makes him blush. He timidly walks towards her and kisses her forehead, which surprises Vivienne. "I-I actually meant your car keys, but I guess that too..."

During their winter vacation, Tsumugi and Vivienne decided to go to a higher ground to watch the sunrise. In front of a breathtaking snow scenery, the two couldn't help but share a kiss. Soon, the sun appears and adds warmth to their cheeks.

"What do you think about going to a trampoline park?", Vivienne excitedly asks. Tsumugi freezes after hearing a certain word, "T-trampoline?" She immediately nods in reply. Tsumugi then remembers an embarrassing memory from when they were training for Dance with Butterfly.

The couple is doing Spring cleaning in their new home. While moving the boxes, Tsumugi notices a random string fall on the floor, "I wonder where this came from..." Vivienne turns around and quickly snatches the string and ties the ends together. "Hey, want to play Cat's Cradle?"

They're preparing the ingredients needed to make mulled wine as a gift to Tsumugi's grandmother. "What about adding black tea so the taste would be milder?" Vivienne asks, chin resting on her hand. He dons his apron and replies, "I'll leave it to the head chef's hands."

Vivienne visits the dorm to tend to the garden while Tsumugi is on a regional performance. “V-Vien-san, thank you for helping us today. You must be busy but you still came,” Muku said shyly. “It’s okay. This is also an excuse for me to see the beautiful garden everyone built.”

Tsumugi freezes in front of something unusual on Vivienne’s desk, “Vien, why are the moss balls inside the glass teapot?” She then follows where his eyes are pointing. “Oh that! Ahaha, I don’t have a nice clear container at the moment so I thought of using a spare teapot.”

“Tsumugi, congratulations on the successful run!” Vivienne timidly hands him a gift backstage. “Flowers that won’t wilt. Fufu, how lovely,” Azuma remarks. Vivienne responds with a sheepish smile. Tsumugi fondly stares at the crochet flowers wrapped into a bouquet.

Tsumugi gently places a box of sweets at the table. “Hm? Are those nerikiri wagashi?” Omi asks. “Mhm, Vien made them. She told me to share it with everyone in the dorm.” He then opens the box and sees the sweets nicely shaped into narcissus flowers. Tsumugi smiles to himself.

Tsumugi is faced with a new challenge, but this time – to profess his feelings to someone he loves. Vivienne, who spent the recent years looking down on herself, felt confused and was unable to comprehend his heartfelt words. Even when pained, he waited for an answer.

In recent years, Vivienne lived a life subconsciously rejecting affection, as she believed that she does not deserve anything beyond her value. The feeling of excitement around him, the greed for his time and attention and the urge to impress him, felt foreign to her.

Tsumugi returns to the practice hall to get back his bag filled with extra clothing. There, he discovers a woman dancing alone. Her face is hidden amongst the shadows of sunset, but her movements create the most graceful silhouettes he has ever seen. It was very captivating.

Vivienne receives a notification of Tsumugi sending her a selfie with a rainbow barf filter. “Honey, how do I remove this? I swear, I’m not feeling sick,” the caption says.

Beep beep! Vivienne picks up her phone and squints her eyes at the blurry photo that Tsumugi sent. “Honey, look! Fuyu persimmons! Do you want some?” She chuckles softly, “So persimmon it is...”

“I do think Tsumugi-san is like a flower himself,” Vivienne says. “Eh? Why do you say so?” Tsumugi stops in his tracks after hearing her words. “Soothing. Looks delicate but remains resilient to any conditions due its desire to bloom and... an image of spring.”

"Ah, hello, Tsukioka-san. I-I apologize for bringing so much inconvenience to the rehearsals earlier," Vivienne bows deeply. "O-oh it's okay, that's not what I'm here for!" Tsumugi waves his hands to put the lady at ease, but she never meets him in the eye again after apologizing.

In the atmosphere that is painted with seriousness, Tsumugi says, "Zabi, who do you want to go on a walk with today?" The couple offers their clenched fists and reveals a treat in each one. The dog slowly approaches Vivienne's hand and eats the treat on it. "Ahaha, I win!"

"Looks like it's going to rain. Honey, don't forget to bring your umbrella," Vivienne reminds Tsumugi. "Mhm, I have it in my bag. I'll be off!" As predicted, it's pouring outside. Tsumugi takes out his umbrella and is surprised to see a flowery design, "Ah. I brought Vien's..."

"Welcome home, Tsum—"

Tsumugi quickly wraps his arms around his wife. "Did something happen?" Vivienne asks. He shakes his head, "...Just had a long day." After a while, Tsumugi moves back and smiles. "Mhm, HP refilled!" Vivienne laughs, "Did Chigasaki-san teach you that?"

"...I shouldn't have married you," I blurted out. I was surprised with what I said and immediately turned to Vien's direction. Tears are falling down her cheeks.

"I-I'm sorry, I wasn't thinking straight."

"...It's okay. Maybe you really shouldn't have."

The corridor felt long. My footsteps are heavy, as if my body doesn't want to go back. Upon opening the door, I wondered why this space is so big, why the things come in pairs and why there is lingering sadness in my heart. How could I forget? This was our home.
