Career and Technical Education

August 10, 2022

Dear **Jordan Applied Technology Center Student (JATC):**

I would like to take this opportunity to introduce myself as your Career and Technical Education (CTE) Coordinator at Bingham High. I am available to you across in Room V107 (due to the construction) and hope to assist you with any questions or concerns you may have concerning your program at the JATC. Below are some items that I would like to bring to your attention.

- **Courses at JATC begin Wednesday, August 17.** Plan ahead and be ready to attend JATC the first day of school. You will want to understand the busing before school starts. *If you wait to ask questions the first day then you could miss the bus.*
- Bus service will begin August 15. Please see the chart below for departure times. The bus will be located in the front of Bingham High in the east parking lot near the gym entrance. Please make sure to be on time. The bus will leave at the scheduled time and will not wait for late students.
- Please remember we have both the **JATC North** at the SLCC Jordan Campus, and the **JATC South** on 12723 Park Ave. In addition there is a **satellite program** at West Jordan High School-Diesel and Collision Programs ***(reminder no busing to satellite programs)***. Students riding the bus to the JATC South campus will ride the bus to JATC North and take a transfer bus to JATC South. **Please make sure you know what campus your program is being held. Program locations are located at** www.jordantech.org
- For important updates from Bingham during the year we will send out messages via Remind. To enroll in the remind group please text 81010 and when prompted please enter code @jatc2223. Both students and parents are welcome to join this group.

I hope this is helpful to you in planning for the beginning of the school year. If you have any other questions please feel free to contact me at 801-256-5125 or pepper.poulsen@jordandistrict.org . You can also call the Career Center staff at 801-256-5153 if I am unavailable.

Sincerely,

Pepper B. Poulsen
CTE Coordinator
